When you choose to serve - whether it's your nation, your community, or simply your neighbor - you are connected to that fundamental American ideal that we want Life, Liberty and the Pursuit of Happiness not just for ourselves, but for all Americans. That is why this is a great nation. Because time and again, Americans have been willing to serve on stages both great and small; to draw on the same spirit that launched America's improbable journey to meet the challenges of each defining moment in our history.
