LACERS reserves the right to extend the deadline for submission. Firms will have the right to revise their response in the event the deadline is extended.

7. Propose Most Favorable Terms

The LACERS Board may award a contract on the basis of proposals submitted, without discussions, or may negotiate further with those proposers within a competitive range. Proposals should be submitted on the most favorable terms the proposer can provide, as firms may make no changes or additions after the deadline for receipt. Responses shall be reviewed and rated by the City as submitted.

8. Proposer’s Right to Withdraw Proposal

A proposer may withdraw its response prior to the final due date and time. A written request to withdraw, signed by an authorized representative of the proposer, must be submitted to LACERS at the address specified herein for submittal of proposal. After withdrawing a previously submitted proposal, the proposer may submit another proposal at any time prior to the specified submission deadline.

9. LACERS’ Right to Reject Proposals

In accordance with Los Angeles City Charter Section 371(c), the City of Los Angeles (City) shall reserve the right to reject any and all bids or proposals and to waive any informality in the bid or proposal when to do so would be to the advantage of the City. The City may also reject the bid or proposal of any bidder or proposer who has previously failed to timely and satisfactorily perform any contract with the City.

10. LACERS’ Right to Withdraw RFP

LACERS reserves the right to withdraw this RFP or reject all proposals at any time

without prior notice and retains the right to reject any and all proposals. LACERS makes no representation that any contract will be awarded to any firm responding to this RFP.

Late responses will not be considered. Candidates who mail their proposals should allow adequate mail delivery time to ensure timely receipt of the proposals.

12. Alternatives or Substitutions

LACERS reserves the right to determine if any alternatives/substitutions to required services are acceptable.

13. Valid Period of RFP Responses

Responses and the offers contained therein shall remain valid for a period of one hundred and twenty (120) days from the date set for receipt of responses.

14. Waiver of Informality

LACERS reserves the right to waive any informality in the process when to do so is in the best interest of LACERS.

15. Verification of Information

LACERS reserves the right to verify the information in the response. If a firm knowingly and willfully submits false information or other data, the City reserves the right to reject that response. If a contract was awarded as a result of false statements or other data submitted in response to this RFP, LACERS reserves the right to terminate that contract.

16. Contractor History of Responsibility

A firm will not be recommended for a contract award, regardless of the merits of the response submitted, if it has a history of contract noncompliance with LACERS or other entity or poor past or current performance with LACERS or other entity.

17. Proposer Qualification

LACERS may make such investigations as necessary to determine the ability of the proposer to provide required services and comply with the requirements of the RFP.

19. Public Records Act

All responses to this RFP are subject to public disclosure pursuant to the California Public Records Act (Cal. Govt. Code §6250 et. seq., the "Act") and the Ralph M. Brown Act (Cal. Govt. Code §§43950 et seq., (the Brown Act)). The Act provides generally that all records relating to a public agency's business are open to public inspection and copying, unless specifically exempted under one of several exemptions set forth in the Act.

In addition, any proposed contract awards brought before the Board of Administration for consideration and the relevant response(s) will appear on a publicly posted agenda for a public meeting of said Board.

If a respondent believes that any portion of its response is exempt from public disclosure under the Act, such portion may be marked "CONFIDENTIAL." LACERS will consider denying public disclosure of any portions so designated. The submittal of a response with portions marked "CONFIDENTIAL" shall constitute a request for LACERS to consider the material confidential. LACERS is not liable for any claim for damages if LACERS

determines that the material is not exempt from disclosure, notwithstanding the request to consider the material confidential, and will be disclosed under the laws described above. In the event that any information is required to be disclosed under the Public Records Act, the Brown Act, or other public disclosure laws, then LACERS shall, unless prohibited by law, rule, regulation or court order, use reasonable effort to promptly notify the respondent, in writing, of the information required to be disclosed. To the extent not prohibited by applicable law, LACERS shall use reasonable efforts to cooperate with the respondent in any legal action taken to preserve the claimed confidentiality of the material consistent with the law.

20. Confidentiality & Non-Disclosure of Member Information

Any respondent awarded a contract pursuant to this RFP must agree that all information provided by LACERS regarding its members and beneficiaries shall remain confidential and private. If LACERS and the proposer receiving the highest evaluation in

this RFP process are unable to agree to contract terms or if the proposer has not fulfilled all conditions of the RFP at the time of contract execution, LACERS reserves the right to terminate contract negotiations with that proposer and negotiate with the proposer receiving the next highest evaluation without undertaking another RFP process.
