4. MEMBER AUTHORIZATION

I understand this election will remain in effect as long as I remain eligible, or until I make another election during the Open Enrollment period. I hereby authorize: 1) LACERS to deduct from my retirement allowance my share of the monthly premiums as may be established from time to time in the service agreement; and 2) any insurance company, organization, employer, hospital, physician, surgeon, or pharmacist to release any information requested to pay claims under the plan selected. I want to enroll myself and those dependents listed above in the plan elected. I understand that it is my responsibility to report any change in the eligibility of my dependents and that the benefits or services of the elected plan are coordinated with those provided by any other group hospital or medical benefit or service plan. I also understand that I must abide by the provisions of the plan in which I enroll and that any controversy between any HMO plan member and such HMO (including its agents, staff physicians, employees and providers) may be subject to binding arbitration. I understand that LACERS will select the earliest coverage date possible for me unless I notify them otherwise.

I understand that certain LACERS medical plans require enrollment in Medicare Parts A & B. Should I fail to provide sufficient proof of proper Medicare enrollment, I hereby authorize LACERS to enroll me and/or any dependents I have identified in a comparable non-Medicare plan and I assume any increased premiums associated with that non-Medicare plan.
