YOUR ANTHEM BLUE CROSS LIFE AND HEALTH INSURANCE BENEFITS

This plan is intended only for *insured persons* who have *Medicare* Part A and Part B coverage. The benefits described in this certificate are payable only for covered services to supplement *Medicare* benefits, except as specifically stated in HOSPITAL BENEFITS AFTER MEDICARE IS EXHAUSTED, BENEFITS OUTSIDE THE UNITED STATES and CHRISTIAN SCIENCE BENEFITS.

The benefits of this *plan* are provided only for services that *Medicare* determines to be allowable and *medically necessary*, except as specifically stated in this certificate. For covered services for which *Medicare* does not provide coverage (as described in HOSPITAL BENEFITS AFTER MEDICARE IS EXHAUSTED, BENEFITS OUTSIDE THE UNITED STATES and CHRISTIAN SCIENCE BENEFITS), the benefits of this *plan* are provided only for services that are *medically necessary*. The fact that a *physician* prescribes or orders a service does not, in itself, mean that the service is *medically necessary* or that the service is a covered expense. Consult this certificate or telephone us at the number shown on your identification card if you have any questions regarding whether services are covered.

This *plan* contains many important terms (such as “medically necessary”) that are defined in the DEFINITIONS section. When reading through this certificate, consult the DEFINITIONS section to be sure that you understand the meanings of these italicized words.

Second Opinions. If you have a question about your condition or about a plan of treatment which your *physician* has recommended, you may receive a second medical opinion from another *physician*. This second opinion visit will be provided according to the benefits, limitations, and exclusions of this *plan*. If you wish to receive a second medical opinion, remember that greater benefits are provided when you choose a *participating provider*. You may also ask your *physician* to refer you to a *participating provider* to receive a second opinion.

After Hours Care. After hours care is provided by your *physician* who may have a variety of ways of addressing your needs. You should call your *physician* for instructions on how to receive medical care after their normal business hours, on weekends and holidays, or to receive non-*emergency* care and non-*urgent* care within the service area for a condition that is not life threatening but that requires prompt medical attention. If you have an *emergency*, call 911 or go to the nearest emergency room.

Telehealth. This *plan* provides benefits for covered services that are appropriately provided through telehealth, subject to the terms and

conditions of the *plan*. In-person contact between a health care provider and the patient is not required for these services, and the type of setting where these services are provided is not limited. “Telehealth” is the means of providing health care services using information and communication technologies in the consultation, diagnosis, treatment, education, and management of the patient’s health care when the patient is located at a distance from the health care provider. Telehealth does not include consultations between the patient and the health care provider, or between health care providers, by telephone, facsimile machine, or electronic mail.

All benefits are subject to coordination with benefits under certain other plans.

The benefits of this <i>plan</i> are subject to the REIMBURSEMENT FOR ACTS OF THIRD PARTIES section.
--

LIFETIME MAXIMUM

The combined total for all benefits of this *plan* is limited to a maximum amount of **\$2,000,000.00** during each *insured person's* lifetime.

PROFESSIONAL SERVICES AND SUPPLIES

Important Information Regarding the Prudent Buyer Plan Network (Part B Professional Services Only)

We provide a different payment allowance for Part B Professional services described under this *plan* when you receive these services from a *physician* or other provider who is a member of the Prudent Buyer Plan network (*participating provider*). *Participating providers* have agreed to accept our *negotiated rate* as payment in full for covered services. A list of *participating providers* is available from us on request.

Professional Services of a Participating Provider:

When you receive Professional services from a *participating provider*, that provider has agreed to accept our and *Medicare's* combined payments as payment in full. You cannot be billed for any amounts exceeding the Prudent Buyer Plan *negotiated rate*. You will be responsible only for charges applied to the *Medicare* Part B deductible, charges in excess of the yearly maximum allowances stated in the section entitled COVERED SERVICES, and charges for services that are not covered.

Professional Services of a Non-Participating Provider:

When you receive Professional services from a *non-participating provider*, that provider is not obligated to accept our and *Medicare's* combined payments as payment in full, and may bill you for the balance of any unpaid charges. However, some *physicians* accept assignment of *Medicare* benefits. A *physician* who accepts *Medicare* assignment may not collect more than *Medicare's* Allowable Charge. If you use a provider who is not part of the Prudent Buyer Plan network and who does not accept *Medicare* assignment, you will be responsible for any charges applied to the *Medicare* Part B deductible, amounts exceeding *Medicare's* Allowable Charge, charges in excess of the yearly maximum allowances stated in the section entitled COVERED SERVICES, and charges for services that are not covered.

The following describes what you pay, what *Medicare* pays and what we pay for covered Part B professional services:

Note. You will not have to pay the *Medicare* Part B deductible in order to be covered for the routine physical exam benefit and hearing aid benefit.

We Pay:

1. When Professional Services are rendered by a *participating provider* who accepts *Medicare* assignment:

- The difference between what *Medicare* pays and the Prudent Buyer Plan *negotiated rate* for covered professional services and supplies, subject to the stated maximums described in the section entitled COVERED SERVICES.

Note: *Participating providers* will consider the combined *Medicare* and Anthem Blue Cross Life and Health Insurance payments noted above as payment in full for covered services. Exceptions. We provide payment for **100%** of billed *reasonable charges* for routine physical exams, hearing aids, and routine hearing tests.

Note: *Non-participating providers* may not consider the combined *Medicare* and Anthem Blue Cross Life and Health Insurance payments noted above to be payment in full, and may bill you for the balance of any unpaid charges. You will be responsible for charges applied to the *Medicare* Part B deductible, billed amounts in excess of *Medicare's* allowable charge, and charges in excess of the stated maximums in the section entitled COVERED SERVICES.

Special Note Regarding *Participating* or *Non-Participating Providers* Who Accept *Medicare* Assignment:

REIMBURSEMENT FOR ACTS OF THIRD PARTIES

Under some circumstances, an *insured person* may need services under this *plan* for which a third party may be liable or legally responsible by reason of negligence, an intentional act or breach of any legal obligation. In that event, we will provide the benefits of this *plan* subject to the following:

1. We will automatically have a lien, to the extent of benefits provided, upon any recovery, whether by settlement, judgment or otherwise,

that you receive from the third party, the third party's insurer, or the third party's guarantor. The lien will be in the amount of benefits we paid under this *plan* for the treatment of the illness, disease, injury or condition for which the third party is liable, reduced by the fees and costs associated with the recovery, but, not more than the amount allowed by California Civil Code Section 3040.

2. You must advise us in writing, within 60 days of filing a claim against the third party and take necessary action, furnish such information and assistance, and execute such papers as we may require to facilitate enforcement of our rights. You must not take action which may prejudice our rights or interests under your *plan*. Failure to give us such notice or to cooperate with us, or actions that prejudice our rights or interests will be a material breach of this *plan* and will result in your being personally responsible for reimbursing us.
3. We will be entitled to collect on our lien even if the amount you or anyone recovered for you (or your estate, parent or legal guardian) from or for the account of such third party as compensation for the injury, illness or condition is less than the actual loss you suffered.

COORDINATION OF BENEFITS

If you are covered by more than one group medical plan, your benefits under This Plan will be coordinated with the benefits of those Other Plans, as shown below. These coordination provisions apply separately to each *insured person*, per *calendar year*, and are largely determined by California law. Any coverage you have for medical or dental benefits will be coordinated as shown below.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this "Definitions" provision.

Allowable Expense is any necessary, reasonable and customary item of expense which is at least partially covered by at least any plan covering the person for whom claim is made. When a Plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be deemed to be both an Allowable Expense and a benefit paid. An expense that is not covered by any plan covering the person for whom claim is made is not an Allowable Expense

The following are not Allowable Expense:

1. Use of a private hospital room is not an Allowable Expense unless the patient's stay in a private *hospital* room is *medically necessary* in terms of generally accepted medical practice, or one of the plans routinely provides coverage for *hospital* private rooms.
2. If you are covered by two plans that calculate benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method, any amount in excess of the higher of the reasonable and customary amounts.
3. If a person is covered by two plans that provide benefits or services on the basis of negotiated rates or fees, an amount in excess of the lower of the negotiated rates.
4. If a person is covered by one plan that calculates its benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method and another plan provides its benefits or services on the basis of negotiated rates or fees, any amount in excess of the negotiated rate.
5. The amount of any benefit reduction by the Principal Plan because you did not comply with the plan's provisions is not an Allowable Expense. Examples of these types of provisions include second surgical opinions, utilization review requirements, and network provider arrangements.
6. If you advise us that all plans covering you are high deductible health plans as defined by Section 223 of the Internal Revenue Code, and you intend to contribute to a health savings account established in accordance with Section 223 of the Internal Revenue Code, any amount that is subject to the primary high deductible health plan's deductible.

Other Plan is any of the following:

1. Group, blanket or franchise insurance coverage;
2. Group service plan contract, group practice, group individual practice and other group prepayment coverages;
3. Group coverage under labor-management trustee plans, union benefit organization plans, employer organization plans, employee benefit organization plans or self-insured employee benefit plans.

The term "Other Plan" refers separately to each agreement, policy, contract, or other arrangement for services and benefits, and only to that portion of such agreement, policy, contract, or arrangement which

reserves the right to take the services or benefits of other plans into consideration in determining benefits.

Principal Plan is the plan which will have its benefits determined first.

This Plan is that portion of this *plan* which provides benefits subject to this provision.

EFFECT ON BENEFITS

1. If This Plan is the Principal Plan, then its benefits will be determined first without taking into account the benefits or services of any Other Plan.
2. If This Plan is not the Principal Plan, then its benefits may be reduced so that the benefits and services of all the plans do not exceed Allowable Expense.
3. The benefits of This Plan will never be greater than the sum of the benefits that would have been paid if you were covered under This Plan only.

ORDER OF BENEFITS DETERMINATION

The first of the following rules which applies will determine the order in which benefits are payable:

1. A plan which has no Coordination of Benefits provision pays before a plan which has a Coordination of Benefits provision.
2. A plan which covers you as an employee pays before a plan which covers you as a dependent. But, if you are a Medicare beneficiary and also a dependent of an employee with current employment status under another plan, this rule might change. If, according to Medicare's rules, Medicare pays after that plan which covers you as a dependent then, the plan which covers you as a dependent pays before a plan which covers you as an employee.

For example: You are covered as a retired employee under this plan and a Medicare beneficiary (Medicare would pay first, this plan would pay second). You are also covered as a dependent of an active employee under another plan provided by an employer group of 20 or more employees (then, according to Medicare's rules, Medicare would pay second). In this situation, the plan which covers you as a dependent of an active employee will pay first, Medicare will pay second and the plan which covers you as a retired employee will pay last, after Medicare.

3. The plan covering you as a laid-off or retired employee or as a dependent of a laid-off or retired employee pays after a plan covering you as other than a laid-off or retired employee or the dependent of such a person. But, if either plan does not have a provision regarding laid-off or retired employees, provision 5 applies.
4. The plan covering you under a continuation of coverage provision in accordance with state or federal law pays after a plan covering you as an employee, a dependent or otherwise, but not under a continuation of coverage provision in accordance with state or federal law. If the order of benefit determination provisions of the Other Plan do not agree under these circumstances with the order of benefit determination provisions of This Plan, this rule will not apply.
5. When the above rules do not establish the order of payment, the plan on which you have been enrolled the longest pays first unless two of the plans have the same *effective date*. In this case, Allowable Expense is split equally between the two plans.

OUR RIGHTS UNDER THIS PROVISION

Responsibility For Timely Notice. We are not responsible for coordination of benefits unless timely information has been provided by the requesting party regarding the application of this provision.

Reasonable Cash Value. If any Other Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of services provided will be considered Allowable Expense. The reasonable cash value of such service will be considered a benefit paid, and our liability reduced accordingly.

Facility of Payment. If payments which should have been made under This Plan have been made under any Other Plan, we have the right to pay that Other Plan any amount we determine to be warranted to satisfy the intent of this provision. Any such amount will be considered a benefit paid under This Plan, and such payment will fully satisfy our liability under this provision.

Right of Recovery. If payments made under This Plan exceed the maximum payment necessary to satisfy the intent of this provision, we have the right to recover that excess amount from any persons or organizations to or for whom those payments were made, or from any insurance company or service plan.

HOW COVERAGE BEGINS AND ENDS

HOW COVERAGE BEGINS

ELIGIBLE STATUS

1. **Insured Employees.** You are in an eligible status if you are a *retired employee* who is actively enrolled under both Part A and Part B of *Medicare*. A *retired employee* is retired from active full-time or part time employment, is eligible to receive health plan benefits as part of the *group's* pension plan.
2. **Family Member.** The *retired employee's spouse, domestic partner* or unmarried *child* are eligible to enroll as *family members*, provided that the *spouse, domestic partner* or unmarried *child* is actively enrolled under both Part A and Part B of *Medicare*.

Definition of Family Member

1. **Spouse** is the *retired employee's* spouse under a legally valid marriage. This includes same sex spouses when legally married in a state that recognizes same-sex marriages. Spouse does not include any person who is covered as a *retired employee* or *domestic partner*.
2. **Domestic partner** is the *retired employee's* domestic partner under a legally registered and valid domestic partnership and actively enrolled under both Part A and Part B of *Medicare*. Domestic partner does not include any person who is: (a) covered as a *retired employee*; or (b) in active service in the armed forces.
3. **Child** is the *retired employee's, spouse's* or *domestic partner's* unmarried natural child, stepchild, grandchild, legally adopted child or a child for whom the *retired employee, spouse* or *domestic partner* has been appointed legal guardian by a court of law, and actively enrolled under both Part A and Part B of *Medicare*, subject to the following:
 - a. The child is under 26 years of age.
 - b. The unmarried child is 26 years of age, or older and: (i) was covered under the *prior plan*, was covered as a *family member* of the *retired employee* under another plan or health insurer, or has six or more months of other *creditable coverage*, (ii) is chiefly dependent on the *retired employee, spouse* or *domestic partner* for support and maintenance, and (iii) is incapable of self-sustaining employment due to a physical or mental condition. A *physician* must certify in writing that the child is incapable of self-

sustaining employment due to a physical or mental condition. We must receive the certification, at no expense to us, within 60-days of the date the *retired employee* receives our request. We may request proof of continuing dependency and that a physical or mental condition still exists, but not more often than once each year after the initial certification. This exception will last until the child is no longer chiefly dependent on the *retired employee*, *spouse* or *domestic partner* for support and maintenance due to a continuing physical or mental condition. A child is considered chiefly dependent for support and maintenance if he or she qualifies as a dependent for federal income tax purposes.

- c. A child who is in the process of being adopted is considered a legally adopted child if we receive legal evidence of both: (i) the intent to adopt; and (ii) that the *retired employee*, *spouse* or *domestic partner* have either: (a) the right to control the health care of the child; or (b) assumed a legal obligation for full or partial financial responsibility for the child in anticipation of the child's adoption. Legal evidence to control the health care of the child means a written document, including, but not limited to, a health facility minor release report, a medical authorization form, or relinquishment form, signed by the child's birth parent, or other appropriate authority, or in the absence of a written document, other evidence of the *retired employee's*, *spouse's* or the *domestic partner's* right to control the health care of the child.
- d. A child for whom the *retired employee*, *spouse* or *domestic partner* is a legal guardian is considered eligible on the date of the court decree (the "eligibility date"). We must receive legal evidence of the decree.
- e. The term "child" does not include any person who is: (i) covered as a *retired employee*; or (ii) in active service in the armed forces.
- f. If both parents are covered as *retired employees*, their children may be covered as the *family members* of either, but not of both.

ELIGIBILITY DATE

- 1. For *subscribers*, you become eligible for coverage on the first day of the month coinciding with or following the date you retire.
- 2. For *family members*, you become eligible for coverage on the later of: (a) the date the *subscriber* becomes eligible for coverage; or, (b) the date you meet the *family member* definition.

ENROLLMENT

To enroll as a *retired employee*, or to enroll *family members*, the *retired employee* must properly file an application. An application is considered properly filed, only if it is personally signed, dated, and given to the *group* within 60 days from your eligibility date. We must receive this application from the *group* within 90 days. If any of these steps are not followed, your coverage may be denied.

EFFECTIVE DATE

Subject to the timely payment of premiums on your behalf, your coverage will begin as follows:

1. **Timely Enrollment.** If you enroll for coverage before, on, or within 60 days after your eligibility date, then your coverage will begin as follows: (a) for *retired employees*, on your eligibility date; and (b) for *family members*, on the later of (i) the date the *retired employee's* coverage begins, or (ii) the first day of the month after the *family member* becomes eligible. If you become eligible before the *policy* takes effect, coverage begins on the effective date of the *policy*.
2. **Late Enrollment.** If you enroll more than 60 days after your eligibility date, you must wait until the *group's* next Open Enrollment Period to enroll.
3. **Disenrollment.** If you voluntarily choose to disenroll from coverage under this *plan*, you must wait until the *group's* next Open Enrollment Period to enroll. You may enroll earlier than the *group's* next Open Enrollment Period if you meet any of the conditions listed under SPECIAL ENROLLMENT PERIODS.

Important Note for Newborn and Newly-Adopted Children. If the *insured employee* (or *spouse* or *domestic partner*, if the *spouse* or *domestic partner* is enrolled) is already covered: (1) any *child* born to the *retired employee*, *spouse* or *domestic partner* will be enrolled from the moment of birth; and (2) any *child* being adopted by the *retired employee*, *spouse* or *domestic partner* will be enrolled from the date on which either: (a) the adoptive *child's* birth parent, or other appropriate legal authority, signs a written document granting the *retired employee*, *spouse* or *domestic partner* the right to control the health care of the *child* (in the absence of a written document, other evidence of the *retired employee's*, *spouse's* or *domestic partner's* right to control the health care of the *child* may be used); or (b) the *retired employee*, *spouse* or *domestic partner* assumed a legal obligation for full or partial financial responsibility for the *child* in anticipation of the *child's* adoption. The "written document" referred to above includes, but is not limited to, a

health facility minor release report, a medical authorization form, or relinquishment form.

In both cases, coverage will be in effect for 31 days. For the *child's* enrollment to continue beyond this 31-day period, the *retired employee* or *domestic partner* must submit a membership change form to the *group* within the 31-day period. We must then receive the form from the *group* within 90 days.

SPECIAL ENROLLMENT PERIODS

You may enroll without waiting for the *group's* next open enrollment period if you are otherwise eligible under any one of the circumstances set forth below:

1. You have met all of the following requirements:
 - a. You were covered as an individual or dependent under either:
 - i. Another employer group health plan or health insurance coverage, including coverage under a COBRA continuation; or
 - ii. A state Medicaid plan or under a state child health insurance program (SCHIP), including the Healthy Families Program or the Access for Infants and Mothers (AIM) Program.
 - b. You certified in writing at the time you became eligible for coverage under this *plan* that you were declining coverage under this *plan* or disenrolling because you were covered under another health plan as stated above and you were given written notice that if you choose to enroll later, you may be required to wait until the *group's* next open enrollment period to do so.
 - c. Your coverage under the other health plan wherein you were covered as an individual or dependent ended as follows:
 - i. If the other health plan was another employer group health plan or health insurance coverage, including coverage under a COBRA continuation, coverage ended because you lost eligibility under the other plan, your coverage under a COBRA continuation was exhausted, or employer contributions toward coverage under the other plan terminated. You must properly file an application with the *group* within 31 days after the date your coverage ends or the date employer contributions toward coverage under the other plan terminate.

Loss of eligibility for coverage under an employer group health plan or health insurance includes loss of eligibility due to termination of employment or change in employment status, reduction in the number of hours worked, loss of dependent status under the terms of the *plan*, termination of the other plan, legal separation, divorce, death of the person through whom you were covered, and any loss of eligibility for coverage after a period of time that is measured by reference to any of the foregoing.

- ii. If the other health plan was a state Medicaid plan or a state child health insurance program (SCHIP), including the Healthy Families Program or the Access for Infants and Mothers (AIM) Program, coverage ended because you lost eligibility under the program. You must properly file an application with the *group* within 60 days after the date your coverage ended.
- 2. A court has ordered coverage be provided for a *spouse*, *domestic partner* or dependent *child* under your employee health plan and an application is filed within 31 days from the date the court order is issued.
 - 3. We do not have a written statement from the *group* stating that prior to declining coverage or disenrolling, you received and signed acknowledgment of a written notice specifying that if you do not enroll for coverage within 60 days after your eligibility date, or if you disenroll, and later file an enrollment application, your coverage may not begin until the first day of the month following the end of the *group's* next open enrollment period.
 - 4. You have a change in family status through either marriage or domestic partnership, or the birth, adoption, or placement for adoption of a *child*:
 - a. If you are enrolling following marriage or domestic partnership, you and your new *spouse* or *domestic partner* must enroll within 31 days of the date of marriage or domestic partnership. Your *domestic partner* must meet the *plan's* eligibility requirements for *domestic partners* as outlined under HOW COVERAGE BEGINS AND ENDS: HOW COVERAGE BEGINS. Your new *spouse* or *domestic partner's* children may also enroll at that time. Other children may not enroll at that time unless they qualify under another of these circumstances listed above. Coverage will be effective on the first day of the month following the date you file the enrollment application.

- b. If you are enrolling following the birth, adoption, or placement for adoption of a *child*, your *spouse* (if you are already married) or *domestic partner*, who is eligible but not enrolled, may also enroll at that time. Other children may not enroll at that time unless they qualify under another of these circumstances listed above. Application must be made within 31 days of the birth or date of adoption or placement for adoption; coverage will be effective as of the date of birth, adoption, or placement for adoption.
- 5. You meet or exceed a lifetime limit on all benefits under another health plan. Application must be made within 31 days of the date a claim or a portion of a claim is denied due to your meeting or exceeding the lifetime limit on all benefits under the other plan.
- 6. The date the *retired employee* reaches the age of 55 or the *employee* reaches the age of 65.
- 7. You become eligible for assistance, with respect to the cost of coverage under the employer's group *plan*, under a state Medicaid or SCHIP health plan, including any waiver or demonstration project conducted under or in relation to these plans. You must properly file an application with the *group* within 60 days after the date you are determined to be eligible for this assistance.

Effective date of coverage. For enrollments during a special enrollment period as described above, coverage will be effective on the first day of the month following the date you file the enrollment application.

OPEN ENROLLMENT PERIOD

The *group* has an open enrollment period once each *year*, during the month of October. During that time, an individual who meets the eligibility requirements as a *subscriber* under this *plan* may enroll in this *plan*. The *subscriber* may also enroll an eligible *spouse* or *domestic partner* at that time. Persons eligible to enroll as a *spouse* or *domestic partner* may enroll only under the *subscriber's plan*. For anyone so enrolling, coverage under this *plan* will begin on the first of January following your Open Enrollment. For anyone so enrolling, coverage under this *plan* will begin on the first day of January following the end of the Open Enrollment Period.

HOW COVERAGE ENDS

Your coverage under the *policy* can be cancelled immediately upon written notice by us if we learn that you do not have coverage under Part A and Part B of *Medicare*. You are responsible for notifying us if you do not have, or lose, coverage under either Part A and Part B of *Medicare*.

Additionally, your coverage ends without notice from us as provided below:

1. If the *policy* terminates, your coverage ends at the same time. This *policy* may be canceled or changed without notice to you.
2. If the *group* no longer provides coverage for the class of *insured persons* to which you belong, your coverage ends on the effective date of that change. If the *policy* is amended to delete coverage for the *spouse*, the *spouse's* coverage ends on the effective date of that change.
3. Coverage for the *spouse* or *domestic partner* ends when the *employee's* coverage ends.
4. Coverage ends at the end of the period for which premium has been paid to us on your behalf when the required premium for the next period are not paid.
5. If you voluntarily cancel coverage at any time, coverage ends on the premium due date coinciding with or following the date of voluntary cancellation, as provided by written notice to us.
6. If you no longer meet the requirements set forth in the "Eligible Status" provision of HOW COVERAGE BEGINS, your coverage ends as of the premium due date coinciding with or following the date you cease to meet such requirements.

Exception to item 6:

Handicapped Children: If a *child* reaches the age limits shown in the "Eligible Status" provision of this section, the *child* will continue to qualify as a *family member* if he or she is (i) covered under this *plan*, (ii) actively enrolled under both Part A and Part B of *Medicare*, (iii) still chiefly dependent on the *subscriber*, *spouse* or *domestic partner* for support and maintenance, and (iii) incapable of self-sustaining employment due to a physical or mental condition. A *physician* must certify in writing that the *child* has a physical or mental condition that makes the *child* incapable of obtaining self-sustaining employment. We will notify the *subscriber* that the *child's* coverage will end when the *child* reaches the *plan's* upper age limit at least 90-days prior to the date the *child* reaches that age. The *subscriber* must send proof of the *child's* physical or mental condition within 60-days of the date the *subscriber* receives our request. If we do not complete our determination of the *child's* continuing eligibility by the date the *child* reaches the *plan's* upper age limit, the *child* will remain covered pending our determination. When a period of two years has passed, we may request proof of continuing dependency due to a continuing

physical or mental condition, but not more often than once each year. This exception will last until the *child* is no longer chiefly dependent on the *subscriber*, *spouse* or *domestic partner* for support and maintenance or a physical or mental condition no longer exists. A *child* is considered chiefly dependent for support and maintenance if he or she qualifies as a dependent for federal income tax purposes.

Note: If a marriage or domestic partnership terminates, the *insured person* must give or send to the *group* written notice of the termination. Coverage for a former *spouse* or *domestic partner*, if any, ends according to the "Eligible Status" provisions. If Anthem Blue Cross Life and Health Insurance suffers a loss because of the *insured person* failing to notify the *group* of the termination of their marriage or domestic partnership, Anthem Blue Cross Life and Health Insurance may seek recovery from the *insured person* for any actual loss resulting thereby. Failure to provide written notice to the *group* will not delay or prevent termination of the marriage or domestic partnership. If the *insured person* notifies the *group* in writing to cancel coverage for a former *spouse* or *domestic partner*, if any, immediately upon termination of the *insured person's* marriage or domestic partnership, such notice will be considered compliance with the requirements of this provision.

You may be entitled to continued benefits under terms which are specified elsewhere under CONTINUATION OF COVERAGE and EXTENSION OF BENEFITS.

Unfair Termination of Coverage. If you believe that your coverage has been or will be improperly terminated, you may request a review of the matter by the California Department of Insurance (CDI). You may contact the CDI using the address and telephone numbers listed in the COMPLAINT NOTICE. You must make your request for review with the CDI within 180 days from the date you receive notice that your coverage will end, or the date your coverage is actually cancelled, whichever is later, but you should make your request as soon as possible after you receive notice that your coverage will end. This 180 day timeframe will not apply if, due to substantial health reasons or other incapacity, you are unable to understand the significance of the cancellation notice and act upon it. If you make your request for review within 30 days after you receive notice that your coverage will end, or your coverage is still in effect when you make your request, we will continue to provide coverage to you under the terms of this *plan* until a final determination of your request for review has been made by the CDI (this does not apply if your coverage is cancelled for non-payment of premium). If your coverage is maintained in force pending outcome of the review, premium must still be paid to us on your behalf.

Other Coverage Options Besides COBRA Continuation Coverage.

Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a *spouse's* plan) through the conditions listed under the SPECIAL ENROLLMENT PERIODS provision. Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

CONTINUATION OF COVERAGE

Most employers who employ 20 or more people on a typical business day are subject to The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). If the employer who provides coverage under the *agreement* is subject to the federal law which governs this provision (Title X of P. L. 99-272), you may be entitled to a period of continuation of coverage. Check with your employer for details. Your employer must provide you with the name of your Health Plan Administrator. Your Health Plan Administrator will give you notice of your right to continue coverage after certain "Qualifying Events". You must notify your health Plan Administrator of the occurrence of any subsequent Qualifying Events. (See the "Terms of COBRA Continuation" provision below.)

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will appear in capital letters. When you see these capitalized words, you should refer to this "Definitions" provision.

Initial Enrollment Period is the period of time following the original Qualifying Event, as indicated in the "Terms of COBRA Continuation" provisions below.

Qualified Beneficiary means: (a) a person enrolled for this COBRA continuation coverage who, on the day before the Qualifying Event, was covered under this *agreement* as either a *subscriber* or *family member*; and (b) a *child* who is born to or placed for adoption with the *subscriber* during the COBRA continuation period. Qualified Beneficiary does not include any person who was not enrolled during the Initial Enrollment Period, including any *family members* acquired during the COBRA continuation period, with the exception of newborns and adoptees as specified above.

Qualifying Event means any one of the following circumstances which would otherwise result in the termination of your coverage under the *agreement*. The events will be referred to throughout this section by number.

1. **For Retired Employees and Family Members.** Cancellation or a substantial reduction of retiree benefits under the *plan* due to the *group's* filing for Chapter 11 bankruptcy, provided that:
 - a. The *agreement* expressly includes coverage for retirees; and
 - b. Such cancellation or reduction of benefits occurs within one year before or after the *group's* filing for bankruptcy.
2. **For Family Members:**
 - a. The death of the *subscriber*;
 - b. The *spouse's* divorce or legal separation from the *subscriber*; or
 - c. The end of a *domestic partner's* partnership with the *subscriber*.
 - d. The end of a *child's* status as a dependent *child*, as defined by the *agreement*; or

ELIGIBILITY FOR COBRA CONTINUATION

A *subscriber* or *family member* may choose to continue coverage under the *agreement* if your coverage would otherwise end due to a Qualifying Event.

TERMS OF COBRA CONTINUATION

Notice. The Health Plan Administrator (we are not the administrator) will notify either the *subscriber* or *family member* of the right to continue coverage under COBRA, as provided below:

1. For Qualifying Events 1 above, the *subscriber* will be notified of the continuation right.
2. For Qualifying Events 2(a) or 2(d) above, a *family member* will be notified of the continuation right.
3. For Qualifying Events 2(b) or 2(c) above, you must inform the Health Plan Administrator within 60 days of the Qualifying Event if you wish to continue coverage. The Health Plan Administrator, in turn, will promptly give you official notice of the continuation right.

If you choose to continue coverage, you must notify us within 60 days of the date you receive notice of your COBRA continuation right from your Health Plan Administrator. The COBRA continuation coverage may be chosen for all *members* within a family, or only for selected *members*.

If you fail to elect the COBRA continuation during the Initial Enrollment Period, you may not elect the COBRA continuation at a later date.

You must remit the initial subscription charge to us within 45 days after you elect COBRA continuation coverage.

Additional Family Members. A *spouse, domestic partner or child* acquired during the COBRA continuation period is eligible to be enrolled, provided that the *spouse, domestic partner or child* meets the eligibility requirements specified in HOW COVERAGE BEGINS. The standard enrollment provisions of the *agreement* apply to enrollees during the COBRA continuation period.

Cost of Coverage. You are required to pay the entire cost of your COBRA continuation coverage. You must remit this cost (called the "subscription charge") to us each month during the COBRA continuation period. In addition to the subscription charge, we will add a monthly administrative fee equal to two percent of that charge. We must receive payment of the subscription charge and administrative fee each month in order to maintain the coverage in force.

Besides applying to the *subscriber*, the *subscriber's* rate also applies to:

1. A *spouse* whose COBRA continuation began due to divorce, separation or death of the *subscriber*;
2. A *domestic partner* whose COBRA continuation began due to the end of the domestic partnership or death of the *subscriber*;
3. A *child*, if neither the *subscriber* nor the *spouse* has enrolled for this COBRA continuation coverage (if more than one *child* is so enrolled, the subscription charge will be the two-party or three-party rate depending on the number of *children* enrolled); and
4. A *child* whose COBRA continuation began due to the person no longer meeting the dependent *child* definition.

Payment Dates. The first payment is due along with your enrollment form within 45 days after you elect continuation coverage. We will bill you for any retroactive charges which may be due. Succeeding subscription charges are due on the first day of each following month (the Subscription Charge Due Date).

Grace Period. For every Subscription Charge Due Date, except the first, there is a 31-day grace period in which to pay subscription charges. If subscription charges are not received by the end of the grace period, your coverage will be canceled at the end of the period for which subscription charges are last paid.

Change of Subscription Charge. The amounts of the subscription charges may be changed by us as of any Subscription Charge Due Date. Your Health Plan Administrator agrees to provide you with written notice at least 30 days prior to the date any subscription charge increase goes into effect.

Accuracy of Information. You are responsible for supplying up-to-date eligibility information. We shall rely upon the latest information received as correct without verification; but we maintain the right to verify any eligibility information you provide.

When COBRA Continuation Coverage Begins. When COBRA continuation coverage is elected during the Initial Enrollment Period and the subscription charge is paid, coverage is reinstated back to the date of the original Qualifying Event, so that no break in coverage occurs.

For *family members* properly enrolled during the COBRA continuation, coverage begins according to the enrollment provisions of the *agreement*.

When the COBRA Continuation Ends. This COBRA continuation will end on the earliest of:

1. The end of 36 months from the Qualifying Event, if the Qualifying Event was the death of the *subscriber*, divorce or legal separation, the end of a domestic partnership or the end of dependent *child* status;*
2. The date the *agreement* terminates;
3. The end of the period for which subscription charges are last paid;
4. The date, following the election of COBRA, the *member* first becomes covered under any other group health plan, unless the other group health plan contains an exclusion or limitation relating to a pre-existing condition of the *member*, in which case this COBRA continuation will end at the end of the period for which the pre-existing condition exclusion or limitation applied.

*For a *member* whose COBRA continuation coverage began under a *prior plan*, this term will be dated from the time of the Qualifying Event under that *prior plan*.

Subject to the *agreement* remaining in effect, a retired *subscriber* whose COBRA continuation coverage began due to Qualifying Event 1 may be covered for the remainder of his or her life; that person's enrolled *family member* may continue coverage for 36 months after the *subscriber's* death. But coverage could terminate prior to such time for the *subscriber, spouse or domestic partner* in accordance with any of the items above.

EXTENSION OF BENEFITS

If you are a *totally disabled employee* or a *totally disabled family member* and under the treatment of a *physician* on the date of discontinuance of the *policy*, your benefits may be continued for treatment of the totally disabling condition. This extension of benefits is not available if you become covered under another group health plan that provides coverage without limitation for your disabling condition. Extension of benefits is subject to the following conditions:

1. If you are confined as an inpatient in a *hospital or skilled nursing facility*, you are considered totally disabled as long as the inpatient stay is *medically necessary*, and no written certification of the total disability is required. If you are discharged from the *hospital or skilled nursing facility*, you may continue your total disability benefits by submitting written certification by your *physician* of the total disability within 90 days of the date of your discharge. Thereafter, we must receive proof of your continuing total disability at least once every 90 days while benefits are extended.
2. If you are not confined as an inpatient but wish to apply for total disability benefits, you must do so by submitting written certification by your *physician* of the total disability. We must receive this certification within 90 days of the date coverage ends under this *plan*. At least once every 90 days while benefits are extended, we must receive proof that your total disability is continuing.
3. Your extension of benefits will end when any one of the following circumstances occurs:
 - a. You are no longer totally disabled.
 - b. The maximum benefits available to you under this *plan* are paid.
 - c. You become covered under another group health plan that provides benefits without limitation for your disabling condition.
 - d. A period of up to 12 months has passed since your extension began.

GENERAL PROVISIONS

Providing of Care. We are not responsible for providing any type of *hospital*, medical or similar care, nor are we responsible for the quality of any such care received.

Independent Contractors. Our relationship with providers is that of an independent contractor. *Physicians* and other health professionals, *hospitals*, *skilled nursing facilities* and other community agencies are not our agents nor are we, or any of our employees, an employee or agent of any *hospital*, medical group or medical care provider of any type.

Non-Regulation of Providers. The benefits of this *plan* do not regulate the amounts charged by providers of medical care, except to the extent that rates for covered services are regulated with *participating providers*.

Terms of Coverage

1. In order for you to be entitled to benefits under the *policy*, both the *policy* and your coverage under the *policy* must be in effect on the date the expense giving rise to a claim for benefits is incurred.
2. The benefits to which you may be entitled will depend on the terms of coverage in effect on the date the expense giving rise to a claim for benefits is incurred. An expense is incurred on the date you receive the service or supply for which the charge is made.
3. The *policy* is subject to amendment, modification or termination according to the provisions of the *policy* without your consent or concurrence.

Nondiscrimination. No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender, or age.

Protection of Coverage. We do not have the right to cancel your coverage under this *plan* while: (1) this *plan* is in effect; (2) you are eligible; and (3) your premiums are paid according to the terms of the *policy*.

Free Choice of Provider. This *plan* in no way interferes with your right as an *insured person* entitled to *hospital* benefits to select a *hospital*. You may choose any *physician* who holds a valid *physician* and surgeon's certificate and who is a member of, or acceptable to, the attending staff and board of directors of the *hospital* where services are received. You may also choose any other health care professional or facility which provides care covered under this *plan*, and is properly

licensed according to appropriate state and local laws. However, your choice may affect the benefits payable according to this *plan*.

Provider Reimbursement. *Physicians* and other professional providers are paid on a fee-for-service basis, according to an agreed schedule. A participating *physician* may, after notice from us, be subject to a reduced *negotiated rate* in the event the participating *physician* fails to make routine referrals to *participating providers*, except as otherwise allowed (such as for *emergency services*).

Availability of Care. If there is an epidemic or public disaster and you cannot obtain care for covered services, we refund the unearned part of the premium charge paid for you. A written request for that refund and satisfactory proof of the need for care must be sent to us within 31 days. This payment fulfills our obligation under this *plan*.

Medical Necessity. The benefits of this *plan* are provided only for services which are *medically necessary*. The services must be ordered by the attending *physician* for the direct care and treatment of a covered condition. They must be standard medical practice where received for the condition being treated and must be legal in the United States. The process used to authorize or deny health care services under this *plan* is available to you upon request.

Expense in Excess of Benefits. We are not liable for any expense you incur in excess of the benefits of this *plan*.

Benefits Not Transferable. Only *insured persons* are entitled to receive benefits under this *plan*. The right to benefits cannot be transferred.

Notice of Claim. You, or someone on your behalf, must give us written notice of a claim within 20 days after you incur *covered expense* under this plan, or as soon as reasonably possible thereafter.

Claim Forms. After we receive a written notice of claim, we will give you any forms you need to file proof of loss. If we do not give you these forms within 15 days after you have filed your notice of claim, you will not have to use these forms, and you may file proof of loss by sending us written proof of the occurrence giving rise to the claim. Such written proof must include the extent and character of the loss.

Note: To obtain a claim form you or someone on your behalf may call the member services phone number shown on your ID Card or go to our website at www.anthem.com/ca and download and print one.

Proof of Loss. You or the provider of service must send us properly and fully completed claim forms within 90 days of the date you receive the service or supply for which a claim is made. If it is not reasonably

possible to submit the claim within that time frame, an extension of up to 12 months will be allowed. Except in the absence of legal capacity, we are not liable for the benefits of the *plan* if you do not file claims within the required time period. We will not be liable for benefits if we do not receive written proof of loss on time.

Services received and charges for the services must be itemized, and clearly and accurately described. Claim forms must be used; canceled checks or receipts are not acceptable.

Timely Payment of Claims. Any benefits due under this *plan* shall be due once we have received proper, written proof of loss, together with such reasonably necessary additional information we may require to determine our obligation.

Payment to Providers. We will pay the benefits of this *plan* directly to *contracting hospitals, participating providers* and medical transportation providers. Also, we will pay *non-contracting hospitals* and other providers of service directly when you assign benefits in writing. If you are a MediCal beneficiary and you assign benefits in writing to the State Department of Health Services, we will pay the benefits of this *plan* to the State Department of Health Services. These payments will fulfill our obligation to you for those covered services.

Care Coordination. We pay *participating providers* in various ways to provide covered services to you. For example, sometimes we may pay *participating providers* a separate amount for each covered service they provide. We may also pay them one amount for all covered services related to treatment of a medical condition. Other times, we may pay a periodic, fixed pre-determined amount to cover the costs of covered services. In addition, we may pay *participating providers* financial incentives or other amounts to help improve quality of care and/or promote the delivery of health care services in a cost-efficient manner, or compensate *participating providers* for coordination of your care. In some instances, *participating providers* may be required to make payment to us because they did not meet certain standards. You do not share in any payments made by *participating providers* to us under these programs.

Right of Recovery. Whenever payment has been made in error, we will have the right to make appropriate adjustment to claims, recover such payment from you or, if applicable, the provider, in accordance with applicable laws and regulations. In the event we recover a payment made in error from the provider, except in cases of fraud or misrepresentation on the part of the provider, we will only recover such payment from the provider within 365 days of the date we made the payment on a claim submitted by the provider. We reserve the right to

deduct or offset any amounts paid in error from any pending or future claim.

Under certain circumstances, if we pay your healthcare provider amounts that are your responsibility, such as deductibles, co-payments or co-insurance, we may collect such amounts directly from you. You agree that we have the right to recover such amounts from you.

We have oversight responsibility for compliance with provider and vendor and subcontractor contracts. We may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a provider, vendor, or subcontractor resulting from these audits if the return of the overpayment is not feasible.

We have established recovery policies to determine which recoveries are to be pursued, when to incur costs and expenses, and whether to settle or compromise recovery amounts. We will not pursue recoveries for overpayments if the cost of collection exceeds the overpayment amount. We may not provide you with notice of overpayments made by us or you if the recovery method makes providing such notice administratively burdensome.

Plan Administrator - COBRA and ERISA. In no event will we be plan administrator for the purposes of compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA) or the Employee Retirement Income Security Act (ERISA). The term "plan administrator" refers either to the *group* or to a person or entity other than us, engaged by the *group* to perform or assist in performing administrative tasks in connection with the *group's* health plan. The *group* is responsible for satisfaction of notice, disclosure and other obligations of administrators under ERISA. In providing notices and otherwise performing under the CONTINUATION OF COVERAGE section of this booklet, the *group* is fulfilling statutory obligations imposed on it by federal law and, where applicable, acting as your agent.

Workers' Compensation Insurance. The *policy* does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

Prepayment Fees. The *group* is responsible for paying premiums to us for all coverage provided to you and your eligible *spouse* or *domestic partner*. The *group* may require that you contribute all or part of the costs of these premiums. You should consult the *group* for details.

Liability of Insured Person to Pay Providers. In accordance with California law, you will not be required to pay any *participating provider* any amounts we owe to that provider (not including co-payments or deductibles), even in the unlikely event that we fail to pay that provider.

You may be liable, however, to pay *non-participating providers* or *other health care providers* any amounts not paid to them by us.

Renewal Provisions. The *group's* health plan *policy* with us is subject to renewal at certain intervals. We may change the premiums or other terms of the *plan* from time to time.

Entitlement to Medicare Benefits. We have the right to require that you furnish information concerning your entitlement to *Medicare* benefits. We may need this information to determine your eligibility under the *policy* and to process your claims.

Conformity with Laws. Any provision of the *policy* which, on its effective date, is in conflict with the laws of the governing jurisdiction, is hereby amended to conform to the minimum requirements of such laws.

Financial Arrangements with Providers. Anthem Blue Cross Life and Health or an affiliate has contracts with certain health care providers and suppliers (hereafter referred to together as "Providers") for the provision of and payment for health care services rendered to its *insured persons* and members entitled to health care benefits under individual certificates and group policies or contracts to which Anthem Blue Cross Life and Health or an affiliate is a party, including all persons covered under the *policy*.

Under the above-referenced contracts between Providers and Anthem Blue Cross Life and Health or an affiliate, the negotiated rates paid for certain medical services provided to persons covered under the *policy* may differ from the rates paid for persons covered by other types of products or programs offered by Anthem Blue Cross Life and Health or an affiliate for the same medical services. In negotiating the terms of the *policy*, the *group* was aware that Anthem Blue Cross Life and Health or its affiliates offer several types of products and programs. The *insured employees*, *family members*, and the *group* are entitled to receive the benefits of only those discounts, payments, settlements, incentives, adjustments and/or allowances specifically set forth in the *policy*.

Under arrangements with some health care providers and suppliers (hereafter referred to together as "Providers") certain discounts, payments, rebates, settlements, incentives, adjustments and/or allowances, including, but not limited to, pharmacy rebates, may be based on aggregate payments made by Anthem Blue Cross Life and Health or an affiliate in respect to all health care services rendered to all persons who have coverage through a program provided or administered by Anthem Blue Cross Life and Health or an affiliate. They are not attributed to specific claims or plans and do not inure to the benefit of any covered individual or group, but may be considered by Anthem Blue

Cross Life and Health or an affiliate in determining its fees or subscription charges or premiums.

Confidentiality and Release of Medical Information. We will use reasonable efforts, and take the same care to preserve the confidentiality of the *insured person's* medical information. We may use data collected in the course of providing services hereunder for statistical evaluation and research. If such data is ever released to a third party, it shall be released only in aggregate statistical form without identifying the *insured person*. Medical information may be released only with the written consent of the *insured person* or as required by law. It must be signed, dated and must specify the nature of the information and to which persons and organizations it may be disclosed. *Insured persons* may access their own medical records.

We may release your medical information to professional peer review organizations and to the *group* for purposes of reporting claims experience or conducting an audit of our operations, provided the information disclosed is reasonably necessary for the *group* to conduct the review or audit.

Medical Policy and Technology Assessment. Anthem Blue Cross Life and Health Insurance reviews and evaluates new technology according to its technology evaluation criteria developed by its medical directors. Technology assessment criteria is used to determine the investigational status or medical necessity of new technology. Guidance and external validation of Anthem Blue Cross Life and Health Insurance's medical policy is provided by the Medical Policy and Technology Assessment Committee (MPTAC) which consists of approximately 20 physicians from various medical specialties including Anthem Blue Cross Life and Health Insurance's medical directors, physicians in academic medicine and physicians in private practice. Conclusions made are incorporated into medical policy used to establish decision protocols for particular diseases or treatments and applied to *medical necessity* criteria used to determine whether a procedure, service, supply or equipment is covered.

Continuity of Care after Termination of Provider: Subject to the terms and conditions set forth below, we will provide benefits at the *participating provider* level for covered services (subject to applicable copayments, coinsurance, deductibles and other terms) received from a provider at the time we terminate the provider's contract (unless the provider's contract is terminated for reasons of medical disciplinary cause or reason, fraud, or other criminal activity). This does not apply to a provider who voluntarily terminates his or her contract.

You must be under the care of the *participating provider* at the time the provider's contract terminates. The terminated provider must agree in

writing to provide services to you in accordance with the terms and conditions of his or her agreement with us prior to termination. The provider must also agree in writing to accept the terms and reimbursement rates under his or her agreement with us prior to termination. If the provider does not agree with these contractual terms and conditions, we are not required to continue the provider's services beyond the contract termination date.

We will provide such benefits for the completion of covered services by a terminated provider only for the following conditions:

1. An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of covered services shall be provided for the duration of the acute condition.
2. A serious chronic condition. A serious chronic condition is a medical condition caused by a disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Completion of covered services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by us in consultation with you and the terminated provider and consistent with good professional practice. Completion of covered services shall not exceed twelve (12) months from the date the provider's contract terminates.
3. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of covered services shall be provided for the duration of the pregnancy.
4. A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of covered services shall be provided for the duration of the terminal illness.
5. Performance of a surgery or other procedure that we have authorized as part of a documented course of treatment and that has been recommended and documented by the provider to occur within 180 days of the date the provider's contract terminates.

Please contact member services at the telephone number listed on your ID card to request continuity of care or to obtain a copy of the written policy. Eligibility is based on your clinical condition and is not determined by diagnostic classifications. Continuity of care does not provide coverage for services not otherwise covered under the *plan*.

We will notify you by telephone, and the provider by telephone and fax, as to whether or not your request for continuity of care is approved. If approved, you will be financially responsible only for applicable deductibles, coinsurance, and copayments under the *plan*. Financial arrangements with terminated providers are negotiated on a case-by-case basis. We will request that the terminated provider agree to accept reimbursement and contractual requirements that apply to *participating providers*, including payment terms. If the terminated provider does not agree to accept the same reimbursement and contractual requirements, we are not required to continue that provider's services. If you disagree with our determination regarding continuity of care, you may file a complaint with us as described in the COMPLAINT NOTICE.

BINDING ARBITRATION

ALL DISPUTES INCLUDING BUT NOT LIMITED TO DISPUTES RELATING TO THE DELIVERY OF SERVICE UNDER THE PLAN/POLICY OR ANY OTHER ISSUES RELATED TO THE PLAN/POLICY AND CLAIMS OF MEDICAL MALPRACTICE MUST BE RESOLVED BY BINDING ARBITRATION, IF THE AMOUNT IN DISPUTE EXCEEDS THE JURISDICTIONAL LIMIT OF SMALL CLAIMS COURT AND THE DISPUTE CAN BE SUBMITTED TO BINDING ARBITRATION UNDER APPLICABLE FEDERAL AND STATE LAW, INCLUDING BUT NOT LIMITED TO, THE PATIENT PROTECTION AND AFFORDABLE CARE ACT.

It is understood that any dispute including disputes relating to the delivery of services under the plan/Policy or any other issues related to the plan/Policy, including any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as permitted and provided by federal and California law, including but not limited to, the Patient Protection and Affordable Care Act, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

THIS MEANS THAT YOU AND ANTHEM BLUE CROSS LIFE AND HEALTH INSURANCE COMPANY AND/OR ANTHEM BLUE CROSS AGREE TO BE BOUND BY THIS ARBITRATION PROVISION AND ACKNOWLEDGE THAT THE RIGHT TO A JURY TRIAL OR TO PARTICIPATE IN A CLASS ACTION IS WAIVED FOR BOTH

DISPUTES RELATING TO THE DELIVERY OF SERVICE UNDER THE PLAN/POLICY OR ANY OTHER ISSUES RELATED TO THE PLAN/POLICY AND MEDICAL MALPRACTICE CLAIMS.

The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this BINDING ARBITRATION provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate shall apply.

The arbitration findings will be final and binding except to the extent that state or federal law provides for the judicial review of arbitration proceedings.

The arbitration is initiated by the Insured making written demand on Anthem Blue Cross Life and Health and/or Anthem Blue Cross. The arbitration will be conducted by Judicial Arbitration and Mediation Services ("JAMS"), according to its applicable Rules and Procedures. If for any reason JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by agreement of the Insured and Anthem Blue Cross Life and Health and/or Anthem Blue Cross, or by order of the court, if the Insured and Anthem Blue Cross Life and Health and/or Anthem Blue Cross cannot agree.

Should damages claimed be \$50,000 or less, the arbitration shall be held by a single, neutral arbitrator mutually agreed to by the parties. Such arbitrator shall have no jurisdiction to award more than \$50,000. The arbitrator shall be selected in accordance with the applicable rules of the arbitration administration entity. With respect to an arbitration held in California, if the parties are unable to agree on the selection of an arbitrator using the rules of the arbitration administration entity, the method provided in Code of Civil Procedure Section 1281.6 shall be used.

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. If the arbitration is not conducted by JAMS, the costs will be shared equally by the parties, except in cases of extreme financial hardship, upon application to the neutral arbitration entity to which the parties have agreed, in which cases, we will assume all or a portion of the Insured's costs of the arbitration. Unless you, Anthem Blue Cross Life and Health Insurance Company and/or Anthem Blue Cross agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. Anthem Blue Cross Life and Health and/or Anthem Blue Cross will provide Insureds, upon request, with an application, or information on how to obtain an application from the neutral arbitration entity, for relief of all or a portion of their share of the

fees and expenses of the neutral arbitration entity. Approval or denial of an application in the case of extreme financial hardship will be determined by the neutral arbitration entity.

Please send all Binding Arbitration demands in writing to Anthem Blue Cross, P.O. Box 4310, Woodland Hills, CA 91365-4310 marked to the attention of the Member services listed on your identification card.

NOTE: If you wish to appeal a decision made by *Medicare* and not by us, you must initiate the appeal process by contacting your local Social Security Administration office.

INDEPENDENT MEDICAL REVIEW OF DENIALS OF EXPERIMENTAL OR INVESTIGATIVE TREATMENT

If coverage for a proposed treatment is denied because we determine that the treatment is *experimental* or *investigative*, you may ask that the denial be reviewed by an external independent medical review organization contracting with the California Department of Insurance ("CDI"). Your request for this review may be submitted to the CDI. You pay no application or processing fees of any kind for this review. You have the right to provide information in support of your request for review. A decision not to participate in this review process may cause you to forfeit any statutory right to pursue legal action against us regarding the disputed health care service. We will send you an application form and an addressed envelope for you to use to request this review with any grievance disposition letter denying coverage for this reason. You may also request an application form by calling us at the telephone number listed on your identification card or write to us at Anthem Blue Cross Life and Health Insurance Company, 21555 Oxnard Street, Woodland Hills, CA 91367. To qualify for this review, all of the following conditions must be met:

- You have a life-threatening or seriously debilitating condition, described as follows:
 - ◆ A life-threatening condition is a condition or disease where the likelihood of death is high unless the course of the disease is interrupted or a condition or disease with a potentially fatal outcome where the end point of clinical intervention is the patient's survival.
 - ◆ A seriously debilitating condition is a disease or condition that causes major, irreversible morbidity.
- Your *physician* must certify that either (a) standard treatment has not been effective in improving your condition, (b) standard treatment is not medically appropriate, or (c) there is no more beneficial standard treatment covered by this *plan* than the proposed treatment.
- The proposed treatment must be requested by you or by a licensed board certified or board eligible *physician* qualified to treat your condition. The treatment requested must be likely to be more beneficial for you than standard treatments based on two documents of scientific and medical evidence from the following sources:
 - a) Peer-reviewed scientific studies published in or accepted for publication by medical journals that meet nationally recognized standards;

- b) Medical literature meeting the criteria of the National Institutes of Health's National Library of Medicine for indexing in Index Medicus, Excerpta Medicus (EMBASE), Medline, and MEDLARS database of Health Services Technology Assessment Research (HSTAR);
- c) Medical journals recognized by the Secretary of Health and Human Services, under Section 1861(t)(2) of the Social Security Act;
- d) Either of the following: (i) The American Hospital Formulary Service's Drug Information, or (ii) the American Dental Association Accepted Dental Therapeutics;
- e) Any of the following references, if recognized by the federal Centers for Medicare and Medicaid Services as part of an anticancer chemotherapeutic regimen: (i) the Elsevier Gold Standard's Clinical Pharmacology, (ii) the National Comprehensive Cancer Network Drug and Biologics Compendium, or (iii) the Thomson Micromedex DrugDex;
- f) Findings, studies or research conducted by or under the auspices of federal governmental agencies and nationally recognized federal research institutes, including the Federal Agency for Health Care Policy and Research, National Institutes of Health, National Cancer Institute, National Academy of Sciences, Centers for Medicare and Medicaid Services, Congressional Office of Technology Assessment, and any national board recognized by the National Institutes of Health for the purpose of evaluating the medical value of health services; and
- g) Peer reviewed abstracts accepted for presentation at major medical association meetings.

In all cases, the certification must include a statement of the evidence relied upon.

You are not required to go through our grievance process for more than 30 days. If your grievance needs expedited review, you are not required to go through our grievance process for more than three days.

You must request this review within six months of the date you receive a denial notice from us in response to your grievance, or from the end of the 30 day or three day grievance period, whichever applies. This application deadline may be extended by the CDI for good cause.

Within three business days of receiving notice from the CDI of your request for review we will send the reviewing panel all relevant medical records and documents in our possession, as well as any additional information submitted by you or your *physician*. Any newly developed or discovered relevant medical records identified by us or by a qualified *physician* after the initial documents are sent will be immediately forwarded to the reviewing panel. The external independent review organization will complete its review and render its opinion within 30 days of its receipt of request for review (or within seven days if your *physician* determines that the proposed treatment would be significantly less effective if not provided promptly). This timeframe may be extended by up to three days for any delay in receiving necessary records.

INDEPENDENT MEDICAL REVIEW OF GRIEVANCES INVOLVING A DISPUTED HEALTH CARE SERVICE

You may request an independent medical review ("IMR") of disputed health care services from the California Department of Insurance ("CDI") if you believe that we have improperly denied, modified, or delayed health care services. A "disputed health care service" is any health care service eligible for coverage and payment under your *plan* that has been denied, modified, or delayed by us, in whole or in part because the service is not *medically necessary*.

The IMR process is in addition to any other procedures or remedies that may be available to you. You pay no application or processing fees of any kind for IMR. You have the right to provide information in support of the request for IMR. We must provide you with an IMR application form and an addressed envelope for you to use to request IMR with any grievance disposition letter that denies, modifies, or delays health care services. A decision not to participate in the IMR process may cause you to forfeit any statutory right to pursue legal action against us regarding the disputed health care service.

Eligibility: The CDI will review your application for IMR to confirm that:

1. (a) Your provider has recommended a health care service as *medically necessary*, or
(b) You have received *urgent care* or *emergency services* that a provider determined was *medically necessary*, or
(c) You have been seen by a provider for the diagnosis or treatment of the medical condition for which you seek independent review;
2. The disputed health care service has been denied, modified, or delayed by us, based in whole or in part on a decision that the health care service is not *medically necessary*; and

3. You have filed a grievance with us and the disputed decision is upheld or the grievance remains unresolved after 30 days. If your grievance requires expedited review you need not participate in our grievance process for more than three days. The CDI may waive the requirement that you follow our grievance process in extraordinary and compelling cases.

You must apply for IMR within six months of the date you receive a denial notice from us in response to your grievance or from the end of the 30 day or three day grievance period, whichever applies. This application deadline may be extended by the CDI for good cause.

If your case is eligible for IMR, the dispute will be submitted to a medical specialist or specialists who will make an independent determination of whether or not the care is *medically necessary*. You will receive a copy of the assessment made in your case. If the IMR determines the service is *medically necessary*, we will provide benefits for the health care service.

For non-urgent cases, the IMR organization designated by the CDI must provide its determination within 30 days of receipt of your application and supporting documents. For urgent cases involving an imminent and serious threat to your health, including, but not limited to, serious pain, the potential loss of life, limb, or major bodily function, or the immediate and serious deterioration of your health, the IMR organization must provide its determination within 3 days.

For more information regarding the IMR process, or to request an application form, please call us at the member services telephone number listed on your ID card.

FOR YOUR INFORMATION

ORGAN DONATION

Each year, organ transplantation saves thousands of lives. The success rate for transplantation is rising but there are far more potential recipients than donors. More donations are urgently needed.

Organ donation is a singular opportunity to give the gift of life. Anyone age 18 or older and of sound mind can become a donor when he or she dies. Minors can become donors with parental or guardian consent.

Organ and tissue donations may be used for transplants and medical research. Today it is possible to transplant more than 25 different organs and tissues. Your decision to become a donor could someday save or prolong the life of someone you know, perhaps even a close friend or family member.

If you decide to become a donor, please discuss it with your family. Let your physician know your intentions as well. Obtain a donor card from the Department of Motor Vehicles. Be sure to sign the donor card and keep it with your driver's license or identification card.

While organ donation is a deeply personal decision, please consider making this profoundly meaningful and important gift.

STATEMENT OF RIGHTS UNDER THE NEWBORNS AND MOTHERS HEALTH PROTECTION ACT

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However the plan or issuer may pay for a shorter stay if the attending *physician* (e.g., your *physician*, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48 hour (or 96 hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a *physician* or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain pre-certification. For information on pre-certification, please call us at the member services telephone number listed on your ID card.

STATEMENT OF RIGHTS UNDER THE WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

This *plan*, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the

breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). If you have any questions about this coverage, please call us at the member services telephone number listed on your ID card.

It's important we treat you fairly

That's why we follow federal civil rights laws in our health programs and activities. We don't discriminate, exclude people, or treat them differently on the basis of race, color, national origin, sex, age or disability. For people with disabilities, we offer free aids and services. For people whose primary language isn't English, we offer free language assistance services through interpreters and other written languages. Interested in these services? Call the Member Services number on your ID card for help (TTY/TDD: 711). If you think we failed to offer these services or discriminated based on race, color, national origin, age, disability, or sex, you can file a complaint, also known as a grievance. You can file a complaint with our Compliance Coordinator in writing to Compliance Coordinator, P.O. Box 27401, Richmond, VA 23279 or by email to compliance.coordinator@anthem.com.
