MARKETING CESSATION REPORT NOTIFICATION TO THE BOARD

The Board's Marketing Cessation Policy was adopted in order to prevent and avoid the appearance of undue influence on the Board or any of its Members in the award of investment-related and other service contracts. Pursuant to this Policy, this notification procedure has been developed to ensure that Board Members and staff are regularly apprised of firms for which there shall be no direct marketing discussions about the contract or the process to award it; or for contracts in consideration of renewal, no discussions regarding the renewal of the existing contract.

Firms listed in Attachments 1 and 2 are subject to limited communications with Board Members and staff pursuant to the Policy and will appear and remain on the list, along with the status, from the first publicized intention to contract for services through the award of the contract. Lists of current LACERS' contracts are on file in the Board office and are available upon request.

Fiscal Year 2019-20 Revised

On September 8, 2020, the Board was provided an expenditure report covering travels that occurred in FY 2019-20 prior to travel suspension. However, at the time, the Department was still in the process of obtaining refunds for scheduled travels that were cancelled during the final quarter.

The attached revised report details the travel expenses for educational conferences attended by Board Members; investment due diligence visits conducted by Investment Division staff; and educational conferences and training courses attended by staff during the Fiscal Year 2019-20. The reported costs include registration and airfare expenditures paid directly by LACERS, as well as the amount reimbursed to Board Members and staff. As of the reporting date, LACERS has received refunds of the registration fees and airfare credits for cancelled travels. Airfare credits can be applied to travels in 2021. The attached report reflects all refunds and credits received to date.

This updated report shows total travel expenditure for the quarter ending June 30, 2020 was \$1,725.59 or 1.5% of the \$114,845.00 total adjusted budget for FY 2019-20, while total annual travel expenditure was \$98,552.84 or 85.8% of the total adjusted budget. See revised amounts below:

REPORT TO BOARD OF ADMINISTRATION

From: Investment Committee
Sung Won Sohn, Chair
Elizabeth Lee
Nilza R. Serrano

MEETING: JANUARY 12, 2021
ITEM: VI – B

SUBJECT: INVESTMENT MANAGER CONTRACT WITH STATE STREET GLOBAL ADVISORS TRUST COMPANY REGARDING THE MANAGEMENT OF MULTI PASSIVE INDEX PORTFOLIO MANDATES AND POSSIBLE BOARD ACTION

ACTION: CLOSED: CONSENT: RECEIVE & FILE:

Recommendation

That the Board:

1. Approve a five-year contract renewal with State Street Global Advisors Trust Company for passive management of multiple index portfolios.
2. Authorize the General Manager to approve and execute the necessary documents, subject to satisfactory business and legal terms.

Executive Summary

On December 8, 2020, the Committee considered and concurred with the staff recommendation to extend a five-year contract renewal to State Street Global Advisors Trust Company (SSgA) for passive management of multiple index portfolios.

Discussion

On December 8, 2020, the Committee considered the attached staff report (Attachment 1) for a five-year contract renewal with SSgA. SSgA has provided multiple passive equity and fixed income commingled fund strategies to LACERS since April 2012. As of December 31, 2020, the firm managed approximately \$1.7 billion of LACERS assets under this contract in the following commingled funds: \$996 million in the SSgA U.S. Aggregate Bond Index Fund, \$365 million in the SSgA Daily MSCI Emerging Markets Index Non-Lending Fund, and \$291 million in the SSgA MSCI EAFE Small Cap Index Non-Lending Fund. LACERS also has a separate and distinct contract with SSgA for the management of an MSCI World ex-U.S. Investable Markets Index strategy via a separate account,

which is currently valued at approximately \$2 billion. In total, SSgA manages approximately \$3.7 billion of LACERS assets. SSgA's current contract expires on May 31, 2021.

The Committee discussed the firm's organizational structure, management, performance, and fees. Staff anticipates conducting a manager search for passive strategies to evaluate the competitiveness of LACERS' current stable of providers; this search will be conducted after the asset liability study is completed in the current calendar year (2021). Based on the discussion and responses by staff and NEPC, the Committee concurs with the staff recommendation for a five-year contract renewal with SSgA.

Strategic Alignment

A contract renewal with SSgA will allow the fund to maintain a diversified passive exposure to various equity and bond markets, and aligns with the Strategic Plan Goal to optimize long-term risk adjusted investment returns (Goal IV). The discussion of the investment manager's profile, strategy, performance, and management fee structure aligns with the Strategic Plan Goal to uphold good governance practices which affirm transparency, accountability, and fiduciary duty (Goal V).

REPORT TO INVESTMENT COMMITTEE
From: Neil M. Guglielmo, General Manager

MEETING: DECEMBER 8, 2020
ITEM: IV

Neil M. Guglielmo

SUBJECT: INVESTMENT MANAGER CONTRACT WITH STATE STREET GLOBAL ADVISORS TRUST COMPANY REGARDING THE MANAGEMENT OF MULTI PASSIVE INDEX PORTFOLIO MANDATES AND POSSIBLE COMMITTEE ACTION

ACTION: CLOSED: CONSENT: RECEIVE & FILE:

Recommendation

That the Committee recommend to the Board a five-year contract renewal with State Street Global Advisors Trust Company for passive management of multiple index portfolios.

Executive Summary

State Street Global Advisors Trust Company (SSgA) offers multiple passive equity and fixed income commingled fund strategies to LACERS under a single contract. Under this contract, SSgA manages approximately \$657 million of LACERS assets in a U.S. Aggregate Bond Index Fund (as of October 31, 2020). SSgA's current contract expires on May 31, 2021. Staff and NEPC, LLC (NEPC), LACERS' General Fund Consultant, recommend a five-year contract renewal with SSgA.

Discussion

Background

In April 2012, the Board authorized a search for investment managers to provide multiple passive investment strategies under a single contract, which would allow LACERS to gain exposure quickly to a variety of passive strategies in cases such as asset allocation changes, portfolio rebalancings, or manager terminations. SSgA was awarded a contract along with BlackRock Institutional Trust Company, N.A., and RhumbLine Advisers Limited Partnership.

In April 2016, a five-year contract renewal was awarded by the Board. The five-year period in lieu of the traditional three-year contract renewal was awarded due to the low risk associated with passive investment strategies and to ease the administrative duty of the Board and staff by staggering the expiration of investment contracts. SSgA's current contract expires on May 31, 2021.

Under the multiple passive strategies contract, SSgA provides LACERS access to equity and fixed income strategies via commingled fund vehicles. SSgA's investment objective is to fully replicate the risk and return characteristics of the benchmarks using quantitative techniques. The specific strategies

available under this contract, fee structures, and the amount of assets managed as of October 31, 2020 are presented in the following table:

SSgA Funds	Negotiated Fees	LACERS' AUM	SSgA's AUM

** Strategy AUM as of 09/30/2020 for MSCI World ex USA. October 2020 Strategy AUM information has not been released yet. All other AUM is Fund Level and as of 10/31/2020*

As presented in the table above, LACERS is currently invested in one index fund available under this contract, the SSgA U.S. Aggregate Bond Index Fund. LACERS also has a separate and distinct contract with SSgA for the management of a MSCI World ex-U.S. Investable Markets Index strategy via a separate account, which is currently valued at approximately \$1.4 billion. In total, SSgA manages approximately \$2.1 billion of LACERS assets.

Organization

SSgA is the affiliated asset management business of State Street Corporation (NYSE: STT) and is headquartered in Boston. SSgA employs more than 541 investment professionals with over 2,495 employees around the world and manages \$3.15 trillion in assets as of September 30, 2020.

Due Diligence

SSgA's organizational structure, key portfolio management personnel, investment philosophy, strategy, and process have not materially changed since the contract renewal on April 12, 2016. On November 19, 2020, SSgA announced that Richard F. Lacaille, SSgA's current Global Chief Investment Officer, will be assuming a newly-created Senior Investment Advisor role to lead the firmwide Environmental, Social, and Governance (ESG) program, effective March 31, 2021. Lori Heinel, who joined SSgA in 2014 as Chief Portfolio Strategist and has served as Deputy Global Chief Investment Officer since

2016, will assume the role of Global Chief Investment Officer. Staff deems this organizational change to have no adverse impact on the portfolio management of LACERS' accounts.

Performance

The performance of the SSgA U.S. Aggregate Bond Index Fund (the sole investment LACERS currently has under this contract) is in line with expectations, as presented in the following table. SSgA is in compliance with the LACERS Manager Monitoring Policy.

Annualized Performance as of 10/31/20 (Net of Fees)

Refer to Attachment 1 for annualized and calendar year performance (gross of fees) for all index funds available under this contract.

Fees

LACERS pays SSgA an effective fee of 2.7 basis points (0.027%) for the SSgA U.S. Aggregate Bond Index Fund, which is approximately \$177,500 annually based on the total value of LACERS' assets as of October 31, 2020. The fee ranks in the 2nd percentile of 78 portfolios in the eVestment U.S. Passive Fixed Income universe (i.e., 98% of like-managers have higher fees).

General Fund Consultant Opinion

NEPC concurs with this recommendation.

Strategic Alignment

A contract renewal with SSgA will allow the fund to maintain a diversified passive exposure to various equity and bond markets, and aligns with the Strategic Plan Goal of optimizing long-term risk adjusted investment returns (Goal IV). The discussion of the investment manager's profile, strategy, performance, and management fee structure aligns with the Strategic Plan Goal to uphold good governance practices which affirm transparency, accountability, and fiduciary duty (Goal V).

To: Los Angeles City Employees' Retirement System Investment Committee
From: NEPC, LLC
Date: December 8, 2020
Subject: State Street Global Advisors Multi-Passive Index Contract Renewal

Recommendation

NEPC recommends Los Angeles City Employees' Retirement System ('LACERS') renew the contract that is currently in place with State Street Global Advisors ('SSgA') for a period of five years from the date of contract expiry.

Background

LACERS currently contracts with three index fund providers including RhumbLine, BlackRock and SSgA. It has been LACERS' practice to use index funds on both a strategic basis and on a temporary basis when changing from one active manager to another. Currently, SSgA manages one passive index portfolio on behalf of LACERS under the Multi-Passive Index contract in core fixed income totaling \$660.3 million, or 3.43% of Total Plan Assets as of September 30, 2020.

The LACERS contract includes portfolio management on two index strategies in addition to the strategy listed above and they are portfolios managed against the MSCI Emerging Markets Index and MSCI EAFE Small Cap Index. SSgA manages the LACERS core fixed income portfolio using a sampling investment management strategy to replicate the returns of the Bloomberg Barclays U.S. Aggregate Bond Index. The Bloomberg U.S. Aggregate Bond Index is among the widest used and cited index in the U.S. investment-grade fixed income industry.

SSgA is wholly owned by its parent company State Street Bank and Trust Company and was founded in 1978 as the investment management arm of the global custodial bank. As of September 30, 2020, the firm manages over \$3.148 trillion in assets. As an index portfolio manager, SSgA is within the top three largest firms with assets under management alongside BlackRock and Vanguard. Not coincidentally, these three firms hold a majority of the market share within the Exchange Traded Fund industry which includes many passive and indexed investment portfolios. SSgA's approach to index portfolio management is to minimize costs and they do this through the scale of their portfolio management business which helps them keep transaction costs low through sheer volume of trades that are passing through the organization.

Performance

The performance of the SSgA account has been in line with expectations. Referring to Exhibit 1, the SSgA U.S. Aggregate Bond portfolio has performed in-line with expectations

and the benchmark over short and longer-term trailing periods. In the past five years, the portfolio ranks in the top quartile in its peer group of passive U.S. fixed income portfolios.

Fees

SSgA charges fees based on the specific strategy in which LACERS invests. The SSgA U.S. Aggregate Bond portfolio has a fee of 0.03% or 2.7 basis points and ranks in the second percentile of 78 portfolios in the eVestment U.S. Passive Fixed Income universe. That is, the core fixed income portfolio is less expensive than 98% of the portfolios in its peer group. For reference, the fee schedules of the MSCI Emerging Markets Index and MSCI EAFE Small Cap Index strategies are a flat 0.04% or 4 basis points charged on all assets. The lowest fee in the eVestment Global Emerging Markets Passive Equity universe is 0.05% and the lowest fee in the eVestment EAFE Passive Equity universe is also 0.05% and therefore, the currently contracted fee schedules would rank in the first percentile in their peer groups.

Conclusion

SSgA has proven skill in managing passive investment mandates against the indexes chosen by LACERS. NEPC supports renewing the contract with SSgA for a period of five years from the date of contract expiry.
