

Blue View Vision's International Travel Solution

Your employees have access to
vision benefits around the world

Support available in 20 countries and territories

We understand mishaps like a lost or broken pair of glasses happen when traveling. That's why Blue View VisionSM is offering the International Travel Solution at no extra cost to you or your covered employees.

The solution enables employees to:

- Find a trusted vision provider in 20 countries or territories. Your employees have access to quality care and authentic frames.* Employees pay in full at the time of service and can submit a copy of their receipt to apply for out-of-network benefits (if not already used during the coverage period).
- Receive 24/7 phone support with translation services in 160 languages if they need help communicating with an international eye doctor.
- Request free temporary emergency glasses with adjustable lenses (between +3 and -6). These can be delivered within 24 hours in most locations.

Your employees' health, safety, and peace of mind are always our priorities. To learn more about how the International Travel Solution can support your employees abroad, contact your broker or Anthem representative.

Available in Australia, Austria, Brazil, Canada, Chile, China, Columbia, Ecuador, England, France, Germany, Hong Kong SAR, Italy, Japan, Mexico, New Zealand, Peru, Puerto Rico U.S., Spain, and Switzerland.
