Eligibility for Benefits
Eligible Employees and Eligible Dependents receive Benefits as soon as they are enrolled in the Program. Subject to cancellation as provided under this Program, enrollment of Eligible Employees and Eligible Dependents is for a minimum period of one year.

You are eligible to enroll as an Eligible Employee if you meet the eligibility requirements defined by the Client.

Eligible Dependents become eligible on:
1) the date you are eligible for coverage;
2) as soon as an Eligible Dependent becomes your dependent, or at any time subject to a change in legal custody or lawful order to provide Benefits.

Eligible Dependents include:
1) spouse (unless legally separated or divorced) or Domestic Partner (until such partnership is terminated by either or both parties);
2) unmarried children from birth up to the limiting age as defined by the Client; and
3) unmarried children beyond the limiting age. Such dependents must be Full-Time Students and wholly dependent on you for support.

Children include natural children, stepchildren, adopted children, foster children and children of a Domestic Partner provided all such children are dependent on you for support. Newborn children (including newborn adopted children) are covered from and after the moment of birth without premium for a period of 31 days. Legally adopted children (other than newborns) are eligible from and after the moment the child is placed in the physical custody of the Eligible Employee for adoption without premium for a period of 31 days. Notice of birth or adoption and payment of the appropriate premium must be received within 31 days after the date of birth or adoption for coverage to continue beyond 31 days.

An unmarried dependent child may continue eligibility if:
1) he or she is incapable of self-support because of a mental or physical disability that began prior to reaching the limiting age;
2) he or she is chiefly dependent on you for support; and
3) proof of dependent’s disability is provided within 31 days of request. Such requests will not be made more than once a year after this dependent reaches the limiting age. Eligibility will continue as long as the dependent relies on you for support because of a mental or physical disability that began before he or she reached the limiting age.

Dependents in active military service are not eligible. No Eligible Dependent may be enrolled under more than one Eligible Employee. Medicare eligibility shall not affect the eligibility of an Eligible Employee or an Eligible Dependent.

**Premiums**
This Program requires premiums to be paid to us. If you are required to pay all or any portion of the premiums, you will be advised of
the amount prior to enrollment and it will be deducted from your earnings by payroll deduction, or you will be requested to pay it directly. The Client will be responsible for sending all payments of premiums to us except payments you are requested to pay directly. Should you voluntarily cancel enrollment and subsequently desire to re-enroll, all premiums retroactive to the date of cancellation (but not to exceed 12 months) must be paid before you can re-enroll.

**How to use the DeltaCare USA Plan - Choice of Contract Dentist**

To enroll in this Program, you must select a Contract Dentist for both yourself and any Dependent Enrollee from the list of Contract Dentists furnished during the enrollment process. Collectively, you and your Eligible Dependents may select no more than three Contract Dentist facilities. If you fail to select a Contract Dentist or the Contract Dentist selected becomes unavailable, we will request the selection of another Contract Dentist or assign you to a Contract Dentist. You may change your assigned Contract Dentist by directing a request to the Customer Service department at 800-422-4234. In order to ensure that your Contract Dentist is notified and our eligibility lists are correct, changes in Contract Dentists must be requested prior to the 21st of the month for changes to be effective the first day of the following month.

Shortly after enrollment you will receive a DeltaCare USA membership packet that tells you the effective date of your Program and the address and telephone number of your Contract Dentist. After the effective date in your membership packet, you may obtain dental services which are Benefits. To make an appointment, simply call your Contract Dentist’s facility and identify yourself as a DeltaCare USA Enrollee. Initial appointments should be scheduled within four weeks unless a specific time has been requested. Inquiries regarding availability of appointments and accessibility of Dentists should be directed to the Customer Service department at 800-422-4234.

**EACH ENROLLEE MUST GO TO HIS OR HER ASSIGNED CONTRACT DENTIST TO OBTAIN COVERED SERVICES, EXCEPT FOR SERVICES PROVIDED BY A SPECIALIST PREAUTHORIZED BY ALPHA, OR FOR EMERGENCY SERVICES REQUIRED WHILE 35 MILES OR MORE FROM THE CONTRACT DENTIST’S FACILITY. ANY OTHER TREATMENT IS NOT COVERED UNDER THIS PROGRAM.**

If your assigned Contract Dentist’s agreement with Alpha terminates, that Contract Dentist will complete (a) a partial or full
denture for which final impressions have been taken, and (b) all work on every tooth upon which work has started (such as completion of root canals in progress and delivery of crowns when teeth have been prepared).

Benefits, Limitations and Exclusions
This Program provides the Benefits described in the Description of Benefits and Copayments subject to the limitations and exclusions. The services are performed as deemed appropriate by your attending Contract Dentist. A Contract Dentist may provide services either personally or through associated Dentists, technicians or hygienists who may lawfully perform the services.

Copayments and Other Charges
You are required to pay any Copayments listed in the Description of Benefits and Copayments directly to the Dentist who provides treatment. Charges for broken appointments (unless notice is received by the Dentist at least 24 hours in advance or an emergency prevented such notice), and charges for visits after normal visiting hours are listed in the Description of Benefits and Copayments.

Emergency Services
You should contact your assigned Contract Dentist for Emergency Services whenever possible. If you are unable to reach your Contract Dentist for Emergency Services, you should call the Customer Service department at 800-422-4234 for assistance in obtaining urgent care. During non-business hours or if you are 35 miles or more from your assigned Contract Dentist, you do not need a referral and may seek treatment from a Dentist other than your assigned Contract Dentist.

Benefits for emergency treatment received from any Dentist, other than the assigned Contract Dentist, are limited to a maximum of $100.00 per emergency, per Enrollee. You are responsible for the Copayment(s) as well as any charges over the $100.00 benefit maximum.

Emergency dental care is limited to palliative treatment for the elimination of dental pain. Further treatment must be obtained from the assigned Contract Dentist.
Specialist Services
Specialist Services must be referred by the assigned Contract Dentist and preauthorized by Alpha. Alpha shall respond to a Contract Dentist within 20 days of receipt of a request for referral. All preauthorized Specialist Services will be paid by Alpha less any applicable Copayments.

If the services of a Contract Orthodontist are needed, please refer to Orthodontics in the Description of Benefits and Copayments, and the limitations and exclusions to determine which procedures are covered under this Program.

Claims for Reimbursement
Claims for covered Emergency Services or preauthorized Specialist Services must be submitted to Alpha within 90 days of the end of treatment. Valid claims received after the 90 day period will be reviewed if you can show that it was not reasonably possible to submit the claim within that time. All claims must be received within one year of the treatment date. The address for claims submission is: Claims Department, P.O. Box 1810, Alpharetta, GA 30023.

In the event we fail to pay a Contract Dentist, you will not be liable to that Dentist for any sums owed by us. Except for the provisions in Emergency Services, if you have not received Preauthorization for treatment from an out-of-network Dentist, and we fail to pay that out-of-network Dentist, you may be liable to that Dentist for the cost of services.

Coordination of Benefits
This Program provides Benefits without regard to coverage by any other group insurance policy or any other group health benefits program if the other policy or program covers services or expenses in addition to dental care. Otherwise, Benefits provided under this Program by specialists or out-of-network Dentists are coordinated with such other group dental insurance policy or any group dental benefits program. The determination of which policy or program is primary shall be governed by the rules stated in the Contract.

When this plan is secondary, it may reduce its Benefits so that the total Benefits paid or provided by all plans during a claim determination period are not more than 100 percent of total Allowable Expenses. "Allowable Expense" is defined as a service or expense, including deductibles and Copayments, that is covered at least in part by any of the plans covering the person.
An Enrollee shall provide to Alpha, and Alpha may release to or obtain from any insurance company or other organization, any information about the Enrollee that is needed to administer coordination of benefits. Alpha shall, in its sole discretion, determine whether any reimbursement to an insurance company or other organization is warranted under these coordination of benefits provisions, and any such reimbursement paid shall be deemed to be Benefits under this Contract. Alpha shall have the right to recover from a Dentist, Enrollee, insurance company or other organization, as Alpha chooses, the amount of any Benefits paid by Alpha which exceeds its obligations under these coordination of benefit provisions.

**Enrollee Complaint Procedure**

Alpha shall provide notification if any dental services or claims are denied, in whole or in part, stating the specific reason or reasons for the denial. If you have any complaint regarding eligibility, the denial of dental services or claims, the policies, procedures or operations of Alpha, or the quality of dental services performed by a Contract Dentist, you may call the Customer Service department at 800-422-4234, or the complaint may be addressed in writing to:

Quality Management Department  
P.O. Box 1860  
Alpharetta, Georgia 30023

Written communication must include 1) the name of the patient, 2) the name, address, telephone number and identification number of the Primary Enrollee, 3) the name of the Client and 4) the Dentist’s name and facility location.

For complaints involving an adverse benefit determination (e.g. a denial, modification or termination of a requested benefit or claim) you must file a request for review (a complaint) with Alpha within 180 days after receipt of the adverse determination. Our review will take into account all information, regardless of whether such information was submitted or considered initially. The review shall be conducted by a person who is neither the individual who made the original benefit determination, nor the subordinate of such individual. Upon request and free of charge, we will provide you with copies of any pertinent documents that are relevant to the benefit determination, a copy of any internal rule, guideline, protocol, and/or explanation of the scientific or clinical judgment if relied upon in making the benefit determination. If the review of a denial is based in whole or in part on a lack of medical necessity, experimental
treatment, or a clinical judgment in applying the terms of the Contract, Alpha shall consult with a Dentist who has appropriate training and experience. If any consulting Dentist is involved in the review, the identity of such consulting Dentist will be available upon request.

Within five business days of the receipt of any complaint, including adverse benefit determinations as described above, the quality management coordinator will forward to you an acknowledgment of receipt of the complaint. Certain complaints may require that you be referred to a Dentist for a clinical evaluation of the dental services provided. We will make a determination, in writing, within 30 days of receipt of a complaint or shall provide a written explanation if additional time is required to report on the complaint. A review of the decision shall be undertaken if a written request for an appeal of the determination is made within 30 days of the date of the written determination. We shall undertake a full and fair review upon request. We may require additional documents, as we deem necessary in making such a review. We shall provide a written response to you within 30 days after receipt of the appeal and supporting documentation or a written explanation if additional time is required to issue the results.

As described above, an Enrollee may request a review of any decision made by Alpha. Enrollees should first contact the Alpha Customer Service department at the number listed above for assistance with a request for review. Alpha makes every effort to provide satisfactory resolution. In the event your complaint remains unresolved, you may contact the Division of Insurance and pursue the following procedure:

In accordance with Nevada law, the Division of Insurance has established procedure to assist Enrollees in making any additional inquiry or complaint concerning coverage under this Contract. The Enrollee may contact the Division of Insurance by telephone as follows:

Name of Division: The Department of Business and Industry, Division of Insurance

Telephone Numbers:

If the Enrollee has local access to the Carson City Office of the Division, he or she may call 702-687-4270.
If the Enrollee has local access to the Las Vegas Office of the Division, he or she may call 702-486-4009.

If the Enrollee does not have local access to either of those Offices, he or she may call 888-872-3234.

Hours of Operation: Mondays through Fridays from 8 a.m. until 5 p.m., Pacific Standard Time (PST).

If the group health plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), you may contact the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) for further review of the claim or if you have questions about the rights under ERISA. You may also bring a civil action under section 502(a) of ERISA. The address of the U.S. Department of Labor is: U.S. Department of Labor, Employee Benefits Security Administration, 200 Constitution Avenue, N.W. Washington, D.C. 20210.

Renewal and Termination of Benefits
This Program renews on the anniversary of the contract term unless we provide notice of a change in premiums or Benefits and the Client does not accept the change. All Benefits terminate for any Enrollee as of the date that this Program is terminated, such person ceases to be eligible under the terms of this Program, or such person’s enrollment is cancelled under the terms of this Program. We are not obligated to continue to provide Benefits to any such person in such event, except for completion of single procedures commenced while this Program was in effect.

Cancellation of Enrollment
Subject to the Enrollee Complaint Procedure, or the Optional Continuation of Coverage provision, an Eligible Employee’s or Eligible Dependent’s enrollment under this Program may be cancelled, or renewal of enrollment refused, in the following events:

1) Immediately:
   a) upon loss of eligibility as described in this Evidence of Coverage; or
   b) if an Enrollee engages in conduct detrimental to safe operations and the delivery of services while in a Contract Dentist’s facility;
2) Upon 15 days written notice if:
   a) the Enrollee knowingly commits or permits another person to commit fraud or deception in obtaining Benefits under the Contract;
3) Upon 30 days written notice if:
   a) the Contract is terminated or not renewed;
   b) the premiums are not paid by or on behalf of the Enrollee on the date due; or
   c) the Enrollee fails to pay Copayments. However, the Enrollee may be reinstated during the term of the Contract upon payment of all delinquent charges; or
   d) a satisfactory dentist-patient relationship fails to be established with multiple contract facilities. Alpha must show that it has, in good faith, provided the Enrollee with the opportunity to select an alternative Contract Dentist. If the Enrollee establishes a history of unsatisfactory relationships, Alpha will notify the Enrollee in writing, at least 30 days in advance, that Alpha considers the dentist-patient relationship to be unsatisfactory. Alpha will also specify the changes that are necessary in order to avoid cancellation, and show that the Enrollee failed to make these changes.

Cancellation of a Primary Enrollee’s enrollment shall automatically cancel the enrollment of any of his or her Dependent Enrollees.

Optional Continuation of Coverage
The federal Consolidated Omnibus Budget Reconciliation Act (or COBRA, pertaining to certain employers having 20 or more employees) requires that continued health care coverage be made available to "Qualified Beneficiaries" who lose health care coverage under the group plan as a result of a "Qualifying Event." You may be entitled to continue coverage under this plan, at your expense, if certain conditions are met. The period of continued coverage depends on the Qualifying Event.

DEFINITIONS

The meaning of key terms used in this section is shown below.

Qualified Beneficiary means:
1) you and/or your dependents who are enrolled in the Alpha plan on the day before the Qualifying Event; or
2) a child who is born to or placed for adoption with you during the period of continued coverage, provided such child is enrolled within 30 days of birth or placement for adoption.
**Qualifying Event** means any of the following events which, except for the election of this continued coverage, would result in a loss of coverage under the dental plan:

- **Event 1.** the termination of employment (other than termination for gross misconduct) or the reduction in work hours, by your employer;
- **Event 2.** your death;
- **Event 3.** your divorce or legal separation from your spouse;
- **Event 4.** your dependent’s loss of dependent status under the plan; and
- **Event 5.** as to your dependents only, your entitlement to Medicare.

**You or your** means the Primary Enrollee.

**PERIODS OF CONTINUED COVERAGE**

Qualified Beneficiaries may continue coverage for 18 months following the month in which Qualifying Event 1 occurs.

This 18-month period can be extended for a total of 29 months, provided:

1) a determination is made under Title II or Title XVI of the Social Security Act that an individual is disabled on the date of the Qualifying Event or becomes disabled at any time during the first 60 days of continued coverage; and

2) notice of the determination is given to the employer during the initial 18 months of continued coverage and within 60 days of the date of the determination.

This period of coverage will end on the first day of the month that begins more than 30 days after the date of the final determination that the disabled individual is no longer disabled. You must notify your employer or Delta Dental within 30 days of any such determination.

If, during the 18 months continuation period resulting from Qualifying Event 1, your dependents, who are Qualified Beneficiaries, experience Qualifying Events 2, 3, 4 or 5, they may choose to extend coverage for up to a total of 36 months (inclusive of the period continued under Qualifying Event 1).
Your dependents, who are Qualified Beneficiaries, may continue coverage for 36 months following the occurrence of Qualifying Events 2, 3, 4 or 5.

When an employer has filed for bankruptcy under Title 11, United States Code, benefits may be substantially reduced or eliminated for retired employees and their dependents, or the surviving spouse of a deceased retired employee. If this benefit reduction or elimination occurs within one year before or one year after filing, it is considered a Qualifying Event. If the Primary Enrollee is a retiree, and has lost coverage because of this Qualifying Event, he or she may choose to continue coverage until his or her death. The Primary Enrollee’s dependents who have lost coverage because of this Qualifying Event may choose to continue coverage for up to 36 months following the Primary Enrollee’s death.

ELECTION OF CONTINUED COVERAGE

Your employer shall notify Alpha within 30 days of Qualifying Event 1. A Qualified Beneficiary must notify his or her employer in writing within 60 days of Qualifying Events 2, 3, 4 or 5, or within 60 days of receiving the election notice from the employer. Otherwise, the option of continued coverage will be lost.

Within 14 days of receiving notice of a Qualifying Event, the employer will provide a Qualified Beneficiary with the necessary benefits information, monthly premium charge, enrollment forms, and instructions to allow election of continued coverage.

A Qualified Beneficiary will then have 60 days to give his or her employer written notice of the election to continue coverage. Failure to provide this written notice of election to the employer within 60 days will result in loss of the right to continue coverage.

A Qualified Beneficiary has 45 days from the written election of continued coverage to pay the initial premium to his or her employer, which includes the premium for each month since the loss of coverage. Failure to pay the required premium within the 45 days will result in loss of the right to continue coverage and any premium received after that will be returned to the Qualified Beneficiary.

CONTINUED COVERAGE BENEFITS

The Benefits under the continued coverage will be the same as those provided to active employees and their dependents who are still enrolled in the dental plan. If the employer changes the coverage
for active employees, the continued coverage will change as well. Premiums will be adjusted to reflect the changes made.

TERMINATION OF CONTINUED COVERAGE

A Qualified Beneficiary’s continued coverage will terminate at the end of the month in which any of the following events first occur:
1) the allowable number of consecutive months of continued coverage is reached;
2) failure to pay the required premiums in a timely manner;
3) the employer ceases to provide any group dental plan to its employees;
4) the individual moves out of the plan’s service area;
5) the individual first obtains coverage for dental Benefits, after the date of the election of continued coverage, under another group health plan (as an employee or dependent) which does not contain or apply any exclusion or limitation with respect to any pre-existing condition of such a person, if that pre-existing condition is covered under this plan; or
6) entitlement to Medicare.

The employer shall notify Alpha within 30 days of the occurrence of any of the above events. Once continued coverage ends, it cannot be reinstated.

TERMINATION OF THE EMPLOYER’S DENTAL CONTRACT

If the dental contract between the employer and Alpha terminates prior to the time that the continuation coverage would otherwise terminate, the employer shall notify a Qualified Beneficiary either 30 days prior to the termination or when all Enrollees are notified, whichever is later, of the ability to elect continuation of coverage under the employer’s subsequent dental plan, if any. The continuation coverage will be provided only for the balance of the period that a Qualified Beneficiary would have remained covered under the Alpha plan had such plan with the former employer not terminated. The employer shall notify the successor plan in writing of the Qualified Beneficiaries receiving continuation coverage so they may be notified of how to continue coverage. The continuation coverage will terminate if a Qualified Beneficiary fails to comply with the requirements pertaining to enrollment in and payment of premiums to the new group benefit plan.
OPEN ENROLLMENT CHANGE OF COVERAGE

A Qualified Beneficiary may elect to change continuation coverage during any subsequent open enrollment period, if the employer has contracted with another plan to provide coverage to its active employees. The continuation coverage under the other plan will be provided only for the balance of the period that a Qualified Beneficiary would have remained under the Alpha plan.

Incontestability
In the absence of fraud or intentional misrepresentation made by you in the enrollment application, all statements made in that application are representations and not warranties. The statements are considered to be truthful and are made to the best of your knowledge and belief. A statement may not be used to void, cancel or non-renew your coverage or reduce Benefits unless (i) it is in a written enrollment application signed by you, and (ii) a signed copy of the enrollment application is or has been furnished to you or your personal representative.

If services for a listed procedure are performed by the assigned Contract Dentist, the Enrollee pays the specified Copayment. Listed procedures which require a Dentist to provide Specialist Services, and are referred by the assigned Contract Dentist, must be authorized by the Plan. The Enrollee pays the Copayment specified for such services.
SCHEDULE B

Limitations of Benefits

1. The frequency of certain Benefits is limited. All frequency limitations are listed in the Description of Benefits and Copayments. (Frequency limitations on diagnostic and preventive procedures do not apply when services are needed more frequently due to medical necessity as determined by the Contract Dentist.

2. If the Enrollee accepts a treatment plan from the general Dentist that includes any combination of more than six crowns, bridge pontics and/or bridge retainers, the Enrollee may be charged an additional $100.00 above the listed Copayment for each of these services after the sixth unit has been provided.

3. Benefits provided by a pediatric Dentist are limited to children through age seven following an attempt by the assigned Contract Dentist to treat the child and upon prior authorization by the Plan, less applicable Copayments. Exceptions for medical conditions, regardless of age limitation, will be considered on an individual basis.

4. The cost to an Enrollee receiving orthodontic treatment whose coverage is canceled or terminated for any reason will be based on a maximum Copayment of $1,750.00, excluding any charges for diagnostic records, for the treatment plan. The Contract Orthodontist will prorate the amount for the number of months remaining to complete treatment. The Enrollee makes payment directly to the Contract Orthodontist as arranged.

5. Orthodontic treatment in progress is limited to new DeltaCare USA Enrollees who, at the time of their original effective date, are in active treatment started under their previous employer sponsored dental plan, as long as they continue to be eligible under the DeltaCare USA plan. Active treatment means tooth movement has begun. Enrollees are responsible for all Copayments and fees subject to the provisions of their prior dental plan. The Plan is financially responsible only for amounts unpaid by the prior dental plan for qualifying orthodontic cases.
Exclusions of Benefits

1. Any procedure that is not specifically listed under the Description of Benefits and Copayments;

2. Any procedure that in the professional opinion of the Contract Dentist:
   a. has poor prognosis for a successful result and reasonable longevity based on the condition of the tooth or teeth and/or surrounding structures, or
   b. is inconsistent with generally accepted standards for dentistry.

3. Services solely for cosmetic purposes, or for conditions that are a result of hereditary or developmental defects, such as cleft palate, upper and lower jaw malformations, congenitally missing teeth and teeth that are discolored or lacking enamel, except for the treatment of newborn children with congenital defects or birth abnormalities.

4. Porcelain crowns, porcelain fused to metal, cast metal or resin with metal type crowns and fixed partial dentures (bridges) for children under 16 years of age.

5. Lost or stolen appliances including, but not limited to, full or partial dentures, space maintainers, crowns and fixed partial dentures (bridges).

6. Procedures, appliances or restoration if the purpose is to change vertical dimension, or to diagnose or treat abnormal conditions of the temporomandibular joint (TMJ).

7. Precious metal for removable appliances, metallic or permanent soft bases for complete dentures, porcelain denture teeth, precision abutments for removable partials or fixed partial dentures (overlays, implants, and appliances associated therewith) and personalization and characterization of complete and partial dentures.

8. Implant-supported dental appliances and attachments, implant placement, maintenance, removal and all other services associated with a dental implant.

10. Dental services received from any dental facility other than the assigned Contract Dentist, an authorized dental specialist, or a Contract Orthodontist except for Emergency Services as described in the Contract and/or Evidence of Coverage.
11. All related fees for admission, use, or stays in a hospital, outpatient surgery center, extended care facility, or other similar care facility.

12. Prescription drugs.

13. Dental expenses incurred in connection with any dental or orthodontic procedure started before the Enrollee’s eligibility with the DeltaCare USA plan. Examples include: teeth prepared for crowns, root canals in progress, full or partial dentures for which an impression has been taken and orthodontics unless qualified for the orthodontic treatment in progress provision.

14. Lost, stolen or broken orthodontic appliances.

15. Changes in orthodontic treatment necessitated by accident of any kind.

16. Myofunctional and parafunctional appliances and/or therapies, with the exception of procedure D9940 (occlusal guard, by report).
