• *What is a Hiring Hall Service Credit Purchase?*

If you are currently an active Member of LACERS who provided service to the City as a Hiring Hall employee, you may be eligible to increase your LACERS retirement benefits through purchase of this time.

The Service Credit you purchase may count towards:

- Meeting the minimum years of Service to be eligible for a service retirement;
- Increasing your monthly retirement allowance; and
- Qualifying for, or enhancing your retiree medical and dental insurance premium subsidies.

• *What makes you eligible to purchase Service Credit for Hiring Hall time?*

You may be eligible to purchase Service Credit for Hiring Hall time if you are currently employed with the City of Los Angeles and an **active** LACERS Member, and:

- You were once a Hiring Hall employee receiving compensation from the City of Los Angeles;
- During that time, you were not a LACERS Member or making contributions to LACERS; and
- You submit a signed and notarized *Certification For Hiring Hall Service Purchase Form* declaring under penalty of perjury that you are not currently receiving a retirement benefit and you are not entitled to receive a retirement benefit in the future from the Hiring Hall Union Plan (even if you go back and earn sufficient vesting credits). In addition to your certification, this document will require a full certification by an authorized representative of your Hiring Hall Union Plan. **A waiver must be received from the Union Plan stating that you would never qualify to receive future benefits from the Hiring Hall Union Plan.**

NOTE: Division 4, Chapter 10 of the Los Angeles Administrative Code (LAAC) prohibits a Member from receiving pension benefits for the same period of service from another pension or retirement system.

• *What makes you ineligible to purchase Service Credit for Hiring Hall time?*

You may be ineligible to purchase Service Credit if any of the following applies to you:

• *How is the amount of Service Credit that is eligible for purchase determined?*

The amount of Service Credit that can be purchased is determined based on your time served as a Hiring Hall employee with the City of Los Angeles.

• ***What does it cost to purchase Service Credit for Hiring Hall time?***
