Invest in preventive care

Regular dental visits can help you save

Is it safe to visit the dentist?

The simple answer is yes!

Your dentist disinfects the surfaces in your treatment room and sterilizes the instruments used in your mouth

Many items used are disposable, single use items that are discarded after patient use

Your dentist may look a little different when you return, and may now use a special mask, face shield and gown

Your Dental Plan Options

Two great options, the choice is yours...

Delta Dental PPO

- ❖ Visit any dentist, but save money by visiting in-network dentists
- ❖ Pay applicable copayment (%) towards services
- ❖ Deductibles and maximums apply

DeltaCare USA

- ❖ Choose a primary care dentist from the DCUSA network
- ❖ Pay a set copayment (\$) for each procedure
- ❖ No deductibles or maximums
- ❖ Referrals needed for specialty care

The screenshot displays the Delta Dental website interface. At the top, the Delta Dental logo is on the left, and navigation links for 'Shop for insurance', 'Find a dentist', 'Member resources', 'Contact us', 'Foundation', 'Log in', and 'Español' are on the right. Below this is a search bar with a dropdown menu showing categories: 'For individuals', 'For dentists', 'For employers', 'For brokers', and 'For administrators'. A secondary navigation bar includes 'Wellness library', 'Kids and teens', 'Nutrition', 'Healthy aging', and 'Preventive care'. The main content area features a large hero image of a woman running, with the headline 'Healthy mouth, healthy you' and a subtext: 'Get all the tips you need to keep your teeth and body healthy with preventive care articles, quizzes and more.' A green button labeled 'Protect your teeth' is positioned below the text. At the bottom, there are four featured sections: 'Your one-stop shop for wellness' with a link to 'Read all the articles'; 'Kids and teens' with a link to 'Find fun activities, articles, quizzes and more for the kids in your life.'; 'Healthy aging' with a link to 'How to protect your dental health as you get older.'; and 'Nutrition' with a link to 'Discover dentist-approved recipes and healthy eating tips for the whole family.'
