REPORT TO INVESTMENT COMMITTEE
From: Neil M. Guglielmo, General Manager

MEETING: JUNE 2, 2020
ITEM: II

Neil M. Guglielmo

SUBJECT: FINALIST FIRMS OF THE ACTIVE EMERGING MARKETS SMALL CAP EQUITIES INVESTMENT MANAGER SEARCH AND POSSIBLE COMMITTEE ACTION

ACTION: CLOSED: CONSENT: RECEIVE & FILE:

Recommendation

That the Committee:

1. Interview the following three firms as finalists for the Active Emerging Markets Small Cap Equities Mandate Search:
 - Macquarie Investment Management Advisers
 - RBC Global Asset Management (U.S.) Inc.
 - Wasatch Advisors Inc

2. Recommend one or more finalists to the Board for contract award.

Executive Summary

The Board-approved request for proposal (RFP) for active emerging markets small cap equities investment managers opened on June 10, 2019, and closed on July 22, 2019. A total of 19 proposals were received, representing 19 firms, including two emerging investment managers. Following review of the proposals by staff and NEPC, LLC (NEPC), LACERS General Fund Consultant, 18 of 19 firms met the minimum qualifications and four firms were recommended to advance as semi-finalists. Staff and NEPC conducted further due diligence on each semi-finalist. Of the four semi-finalists, three firms are recommended to advance as finalists.

Discussion

Background

The Board approved an RFP process to evaluate the current marketplace for active emerging markets small cap equities investment managers on October 23, 2018. Based upon the asset allocation targets approved by the LACERS Board on April 10, 2018, approximately \$230 million (1.35% of total fund assets) will be allocated to this mandate. LACERS seeks one or more qualified investment

management firms to actively manage a publicly-traded emerging markets small cap equities investment strategy. LACERS will consider separately managed accounts and fund-of-funds.

The search opened on June 10, 2019, and closed on July 22, 2019. The search was advertised in the Pensions and Investments and Emerging Manager Monthly publications. The RFP was published on LACERS' website and the websites of LACERS' general fund consultant, NEPC, Association of Asian American Investment Managers, and New America Alliance. Further, the RFP was emailed to all contacts within the LACERS Investment RFP/RFI Notification System database.

Search Results

A total of 19 proposals were received, representing 19 firms, including two emerging investment managers. Following a review of the minimum qualifications (MQs) required to participate in the search, 18 of 19 proposals met the MQs, including the proposals of the two emerging investment managers.

On January 14, 2020, the Committee reviewed NEPC's candidate evaluation report and concurred with the staff recommendation to advance the following four firms as semi-finalists in the search:

- Copper Rock Capital Partners LLC
- Macquarie Investment Management Advisers
- RBC Global Asset Management (U.S.) Inc.
- Wasatch Advisors Inc

Additional Due Diligence Activities

Staff and NEPC conducted due diligence meetings with all four firms to obtain a better understanding of potential investment and organizational risks. Staff and NEPC interviewed various professionals on topics including, but not limited to, overall business strategy and growth, organization and reporting structure, staffing and compensation, investment philosophy and strategy, trading, risk management, compliance and controls, and technology. Staff also conducted reference checks and conferred with NEPC's manager research team.

Based upon these due diligence activities, staff recommends the following three firms as the proposed finalists to consider for hire:

- Macquarie Investment Management Advisers
- RBC Global Asset Management (U.S.) Inc.
- Wasatch Advisors Inc

These firms exhibit organizational stability, strong management teams, well-articulated investment strategies consistent with LACERS' objectives, well-defined risk management and compliance practices, and track records of adding value. Staff also received positive feedback from references for these firms. NEPC concurs with staff's recommendation.

Strategic Plan Impact Statement

The RFP for active emerging markets small cap equities investment managers assists LACERS with optimizing long-term risk adjusted investment returns (Goal IV). Implementing a competitive bidding process by issuing an RFP upholds good governance practices which affirm transparency, accountability, and fiduciary duty (Goal V).
