## Information Regarding the Termination of Domestic Partnership Affidavit

- 1. If your Plan-Registered Domestic Partnership is terminated by means other than the death of your domestic partner, **you must wait at least six months** before registering a subsequent Domestic Partnership, and you and your new domestic partner must meet all the Plan requirements.
- 2. Use of this form is for the purpose of notifying LACERS that your domestic partnership has ended. This form may not be used to cancel a domestic partnership filing or benefits in place with the Personnel Department for the City of Los Angeles.
- 3. If your domestic partnership is registered with the State of California or with another comparable jurisdiction and the partnership is substantially equivalent to a California state-registered domestic partnership, you must comply with the laws of that jurisdiction governing the termination of a domestic partnership.
- 4. Submitting this termination form will not change any beneficiary designations you may have made which name your former domestic partner as beneficiary. You must complete new beneficiary forms if you wish to designate someone other than your former domestic partner as beneficiary of your LACERS benefits.
- 5. You are responsible for notifying your former domestic partner that this Termination of Domestic Partnership has been filed with LACERS and you must provide LACERS with proof that you have served notification.
- 6. If you subsequently file another Declaration of Domestic Partnership, following the six-month waiting period, please be advised your new Declaration must be on file with LACERS for at least one year prior to your retirement in order for your new domestic partner to qualify for a continuance benefit.
- 7. Termination of Domestic Partnership Affidavits submitted without supporting documents will be considered incomplete.
- 8. LACERS will notify the nonmember in writing of receipt of this Termination of Domestic Partnership.
